The Unity Plan Alma Santiago, 2025-11. The Unity Plan: A Guide to Healing is a 28-day journey designed to help you reconnect with yourself, mind, body, and spirit, one small intentional step at a time. Created by author and U.S. Army veteran Alma Santiago, this guided plan was born from personal experience with depression, burnout, and the long road to rediscovering peace. Tired of feeling stuck, Alma began tracking her own daily patterns: what helped, what didn't, and how even the smallest moments of progress mattered. Through that process, she built a system of reflection, structure, and renewal that became The Unity Plan. Each day offers a simple, achievable focus such as grounding, breath, clarity, or hope, paired with guided prompts and affirmations to help you process emotions, rebuild energy, and measure your progress. The left-hand pages allow for open journaling and self-reflection, while the right-hand pages gently guide you with activities and affirmations that encourage mindfulness, connection, and balance. Designed for anyone seeking to break free from emotional

heaviness or simply establish a healthier daily rhythm The Unity Plan helps you identify patterns celebrate small victories and grow in self awareness It s not a quick fix or a promise of perfection it s an invitation to begin again every single day Through consistency and compassion The Unity Plan teaches that healing is not about racing toward happiness it s about learning to listen slow down and honor where you are Whether you re navigating a difficult season rebuilding after loss or simply seeking peace within this guide offers a structure to help you move forward with grace and intention Because healing isn t something you rush through it s something you grow through
