## Unity Our Adventure The Focolare Movement:

Unity, Our Adventure Jerry Hearne, Focolare Movement, 1987      *False Dawn* Lee Penn, 2004 The interfaith movement which began with the 1893 World's Parliament of Religions in Chicago has grown worldwide Although this movement has been largely unknown to the public it now provides a spiritual face for globalization the economic and political forces leading us all from nationalism to One World The most ambitious organization in today's interfaith movement is the United Religions Initiative URI founded by William Swing the Episcopal Bishop of California Investigative reporter Lee Penn a Catholic ex-Marxist exhaustively documents the history and beliefs of the URI and its New Age and globalist allies the vested interests that support these movements and the direction they appear to be taking The interfaith movement is no longer merely the province of a coterie of little heeded religious idealists with grandiose visions The URI's proponents have ranged from billionaire George Soros to President George W Bush from the far right Rev Sun Myung Moon to the liberal Catholic theologian Hans Kung and from the Dalai Lama to the leaders of government approved Protestant churches in the People's Republic of China The interfaith movement including the URI is being promoted by globalist and New Age reformers who favor erosion of national sovereignty marginalization of traditional religions establishment of global governance and creation of a new Earth based global spirituality in effect a one world religion Therefore the URI and the interfaith movement are poised to become the spiritual foundation of the New World Order the new civilization now proposed by Mikhail Gorbachev the last leader of the Soviet Union In *The Reign of Quantity and the Signs of the Times* French metaphysician Ren Gu non spoke of the anti tradition the forces of materialism and secular humanism finally giving way to the counter tradition the satanic inversion of true spirituality leading to the regime of Antichrist The anti tradition weakens and dissolves traditional spiritualities after which the counter tradition sets up a counterfeit in their place Since Gu non's time as is well known anti traditional forces have greatly advanced worldwide It is less well known that counter traditional movements have also made great strides and now stand closer to the centers of global political and religious power than ever before The counter tradition is making inroads on the political and cultural Right as much as it is doing on the Left *False Dawn* painstakingly documents these trends and speculates on their future development In so doing the author takes investigative reporting to the threshold of prophecy and gives us a stunningly plausible picture of the global religious landscape of the 21st century This extraordinary project is the literary equivalent of turning over a flat rock There is much to be seen and learned here all of it unsettling disquieting occasionally downright scary William Murchison Radford Distinguished Professor Baylor University When a bishop of a Christian church happily worships alongside a Wiccan invoking other gods something has gone horribly wrong In *False Dawn* Lee Penn has produced a comprehensive and critical history of the United Religions Initiative This book sounds a clear warning Anyone who makes theological truth subservient to utopianism denigrates all religions Douglas LeBlanc Editor GetReligion.org      *Come to the Feast* Marchiene V. 2019 3 8 *What is Unity?* Judith Povilus, Stefan Tobler, 2023-07-20 Paradise 49 is the name given to a period of special illumination Chiara Lubich experienced during the summer of 1949 and in the immediate years after that This experience has become the vibrant heritage of the Focolare Movement that she founded and it continues to inspire many people today What Is Unity addresses one of the central themes of her charism indeed the very heart of it Unity Since unity is what characterizes the Focolare Movement it is fitting that we ask ourselves How should we live out the charism of unity in today's world How do we proceed courageously while avoiding any form of authoritarianism or individualism How can we facilitate the full development of our personal gifts in the pursuit of common objectives This book is a reflection on passages from Paradise 49 directly relating to the key theme of unity It seeks to contribute to fulfilling Jesus prayer May all be one Jn 17 21

**May They All Be One** Chiara Lubich, 2023-07-20 Back in print again May They All Be One is the best introduction to the origins and life of the Focolare Movement With clear vivid storytelling Chiara Lubich opens us to the adventure of living for God Back in 1943 in the northern Italian city of Trent there were just a few of us But it was wartime Bombs were falling destroying parts of our city and claiming their victims We looked around at all the ruins and asked ourselves Is there anything that does not pass away Any reality that no bombs can destroy And as though someone had enlightened us from within we answered Yes there is such a reality it is God God endures forever So driven by a supernatural force we decided to make God the Ideal of our lives Chiara Lubich

**A Woman's Work** Jim Gallagher, 1997 May 14 1944 a young Italian woman sits on a hillside overlooking the city of Trent and watches her home being destroyed by wartime bombing Inside her begins to stir a vision that would produce an international movement dedicated to religious unity peace and devotion Today the Focolare Movement begun by this determined woman Chiara Lubich has grown to number more than 4 million supporters It is the largest world wide Christian movement Sometimes controversial often inspiring the Focolare has more than 150 000 committed members among them consecrated single people living in residential communities An informative and readable book Gallagher tells the story of how this remarkable movement began and grew but he does it without casting any of the principal characters too deeply in plaster or painting any of their opponents too darkly What appears instead is an account a sort of history with sharply drawn characters of one way God is working in the world New Covenant Author Jim Gallagher does an excellent job of not just presenting the facts about Lubich and the Focolare movement but telling the story of each Catholic Heritage Her ability to cross rivers of discord and move easily among all people has made Lubich one of the most important women in the Roman Catholic Church Religious News Service
