Unmaking Dancer:

The Unmaking of a Dancer Joan Brady,2012-06-07 The Unmaking of a Dancer sheds a blistering light on the raw fiercely competitive and often vicious world of ballet the truth behind the fiction of Black Swan It s the story of Joan Brady s life in her own words Ballet was the first thing Brady was good at she really was good too performing professionally with the San Francisco Ballet at the tender age of fourteen A bonus was that lessons and performances kept her away from her unpredictable father and formidable mother But nobody can stay away for good and when she finally made it into the New York City Ballet her mother delivered a career destroying blow And yet with the help of the love of her life Dexter Masters she found another way of living and the chance for a family of her own [The Unmaking of a Dancer](#) Joan Brady,1983-02-01

Unmaking Contact Royona Mitra,2025-03-05 Unmaking Contact interrogates contact understood in Global North dance discourse as a shorthand for the movement discipline of contact improvisation CI and its characteristic shifting points of weight sharing between two or more bodies through physical touch by attending to power asymmetries that are foundational to this practice By placing South Asian aesthetics bodies discourses and philosophies on touch at the heart of its interrogation through the lenses of caste ecology faith gender and sexuality author Royona Mitra argues for an intersectional intercultural and inter epistemic understanding of contact that may or may not involve touch The book shifts and expands understandings of contact in dance making through intercultural epistemologies that examine notions of touch and contact In this book the term contact signals both a shorthand for CI and a shift away from it to more expansive choreographic considerations It becomes an apparatus for dismantling power regimes it is conjured as a catalyst to examine power in social relations it appears as a fulcrum of ecological relationality it arises as critical encounters full of generative and transformative potential and finally it manifests as community **Song of Unmaking** Caitlin Brennan,2009-10-29 In this second entry of a romantic fantasy trilogy a mage and her lover must heal themselves of dark magic before they can protect their world from evil Striving to save the Aurelian Empire Valeria reached for too much power too quickly and a darkness has rooted inside her Unable to confess the truth Valeria turns to Kerrec her former mentor one of the elite Riders from the Mountain home of the gods But Kerrec too is deeply wounded and his darkness may be even deeper than hers and he is refusing to face it Until his weakness nearly destroys the Riders and their immortal white stallions As Kerrec is sent from the Mountain on a desperate quest for healing Valeria is forbidden to follow But compelled by a power she cannot understand and encouraged by her own stallion she shadows Kerrec on a perilous mission The patterns of deception and secrets have been woven the threats of war and unrest spread throughout the land the barbarian hordes return and once more it is Valeria and Kerrec who must gather their strength and their wounded magic to protect all that they believe in But who will believe in them Praise for Song of Unmaking The battle scenes are magnificent the characters are realistic and the storyline is pure magic readers will eagerly await the next book in this tantalizing series Harriet Klausner A world easy to immerse myself in

The story was well written had a well rounded and thought out world well characterized and emotional Laurie Ryan author of the Willow Bay novels and the Earth Legacy series **Shattered Dance** Caitlin Brennan,2009-10-29 A gifted mage tackles threats to her family and to her empire in this conclusion of a dark romantic fantasy adventure trilogy Once again the Aurelian Empire is in danger and once again Valeria must risk more than her life to save it With threats from without including sorcerous attacks against the soon to be empress and pressures from within the need to continue the dynasty and Kerrec the father of Valeria s child the first choice to do so Valeria must overcome plots and perils as she struggles to find a place in this world she s helped to heal But her greatest foes have not been vanquished And they won t be forgotten or ignored Nor will the restless roil of magic within Valeria herself Soon the threat of Unmaking a danger to all the empire begins to arise in Valeria s soul once more It is subtle it is powerful and this time it might win out *Don't Think, Dear Alice* Robb,2023-02-28 Expertly choreographed and long overdue this is the nuanced reckoning ballet needs ballerinas deserve and all feminists should note Oprah Daily An incisive exploration of ballet s role in the modern world told through the experience of the author and her classmates at the most elite ballet school in the country the School of American Ballet Growing up Alice Robb dreamed of becoming a ballet dancer But by age fifteen she had to face the reality that she would never meet the impossibly high standards of the hyper competitive ballet world After she quit she tried to avoid ballet only to realize years later that she was still haunted by the lessons she had absorbed in the mirror lined studios of Lincoln Center and that they had served her well in the wider world The traits ballet takes to an extreme stoicism silence submission are valued in girls and women everywhere Profound nuanced and passionately researched Don t Think Dear is Robb s excavation of her adolescent years as a dancer and an exploration of how those days informed her life for years to come As she grapples with the pressure she faced as a student at the School of American Ballet she investigates the fates of her former classmates as well From sweet and innocent Emily whose body was deemed thin enough only when she was too ill to eat to precocious and talented Meiying who was thrilled to be cast as the young star of the Nutcracker but dismayed to see Asians stereotyped onstage and Lily who won the carrot they had all been chasing an apprenticeship with the New York City Ballet only to spend her first season dancing eight shows a week on a broken foot Theirs are stories of heartbreak and resilience of reinvention and regret Along the way Robb weaves in the myths of famous ballet personalities past and present from the groundbreaking Misty Copeland who rose from poverty to become an icon of American ballet to the blind diva Alicia Alonso who used the heat of the spotlights and the vibrations of the music to navigate space onstage By examining the psyche of a dancer Don t Think Dear grapples with the contradictions and challenges of being a woman today [Dance of Shadows](#) Gourav Mohanty,2025-02-27 The second instalment of Gourav Mohanty s Indian inspired epic grimdark fantasy series the Raag of Rta Like Game of Thrones in an Indian universe Dan Jones [Global Perspectives on Dance Pedagogy](#) Congress on Research in Dance. Embodied Practices Kathy Davis, 1997-09-15 This book focuses on the significance of the body in contemporary feminist scholarship In recent years the body has become a hot item in both contemporary social theory and research This renewed interest has received a mixed reaction from feminists While the body may be back the new body theory often proves to be just as disembodied as it ever was The body revival seems to be less an attempt to re embody masculinist science than just another expression of the same condition which evoked the feminist critique in the first place a flight from femininity and everything that is associated with it in western culture *Embodied Practices* offers a critical appraisal of the recent body revival drawing upon insights from *Dance Sources, UCLA Libraries and Archives*, 1991
