*Slaying Dragons* Charles Fraune, 2019-09-29 Now with Nihil Obstat This book takes the great wisdom of some of the leading exorcists in the Church including Fr Chad Ripperger Fr Gabriele Amorth Fr Jose Antonio Fortea Fr Gary Thomas among others and packages it into an approachable and intriguing book that conveys to today's Catholics critical insights into the activity of the diabolical and spiritual warfare tactics with which we must be familiar These exorcists pull their teachings from the sacred traditions of our Faith the teachings of the Fathers and Doctors of the Church the wisdom of exorcists under whom they were trained and their own extensive experience in the realm of spiritual warfare deliverance and exorcisms The purpose of this book is to help enlighten Catholics to the spiritual war in which we all find ourselves Not only is this battle real but the Church knows it well and has provided both wisdom and weapons teachings and sacramentals to enable Catholics to fight in this battle into which they have all been drafted and be victorious The devil prowls like a roaring lion seeking to devour as St Peter says These exorcists face this devil and the many demons who fell with him as a central part of their spiritual ministry Let them teach you what they know and impart to you those things that will aid you most in your spiritual life Allow yourself to be instructed by

ideology in the academy and in public policies on crime and justice Conservative Criminology is for the criminal justice professional and student It serves as a stimulating supplement to courses in criminology and criminal justice as well as a primary text for special issues or capstone courses This book supports the reader in recognizing ideological biases whatever they might be and in considering their own convictions
