Birds of Darkness Ben Zeller, 2016-04-20. Rape is a violent act. Fittingly, this is a violent story behind it: a story set in a violent land, Alaska, north of the Arctic Circle. Rape, a silent and vicious act, is one in our human society that very often, definitely too often, goes unpunished, unrequited, ignored by the military, by world courts of law, and by religious leaders in all denominations. Rape has been considered a man's prerogative, a man's right, if you will, for centuries. Perhaps not on the books but in the unseen worlds and silent deeds between the lines, beneath the dark robes of judges and darker thoughts of many self-emasculated politicians who verbally deplore pornography yet keep it encrypted in the corners of their laptops, tied up in the old lace between their legs. To these insecure beings, sex, a beautiful act in itself, is dirty.

BIRDS OF DARKNESS, a work of fiction, is based on fact. Captain Adriana O'Donovan, an ex-air force officer and ace fighter pilot decorated in the second Gulf War, is gang-raped by five fellow officers. Unconscious, she is driven into the blistering mid-eastern desert and naked left to die in the sand and sun. Found by natives, her mutilated, sunburned body is dropped at a military medical facility. Revived, she is determined to bring the guilty before a military court. Laying her accusations before her commanding officer, Captain O'Donovan is told that she is lucky to

be alive and for her sake and the sake of the reputation of the US Military to just shut up about the whole episode Adriana forces the issue As a result she is stripped of her rank and forced to retire The lady refuses to give in As a civilian she quietly sets up a flying service headquartered in Fairbanks Alaska and take the law into her own hands In those hands justice prevails
