Soccer Handbook:

The Soccer Handbook for Players, Coaches and Parents Albert M. Luongo, 2012-10-16 Soccer long the world's most played sport is now undergoing a phenomenal popularity spurt among youth in North America. This book, the complete amateur soccer handbook for all ages, is indispensable for players, coaches, managers, league officials, referees, and parents. Rules of the game, conditioning methods, basic and advanced skills, positional play, team formations, defensive techniques, and much more are covered. *The Laws of the Game*, a publication of the Federation Internationale de Football Associations, is reprinted in full. The modern short ball soccer concept is explained. Ball control skills are stressed for both developing and advanced players, along with self-discipline and a strong defense. With this handbook, championship teams and successful players can be built on these principles. In addition to technical skills, the important principles of leadership, self-control, sportsmanship, team play, fairness, and self-confidence are also promoted. **The Youth Soccer Handbook** Pathways Press, 2025-07-24 This Youth Soccer Handbook teaches young players the must-know soccer skills like passing, shooting, and dribbling, while also building strong mental focus, teamwork, and confidence on the field.
