## **Stig Of The Dump:**

*Stig of the Dump* Clive King, 2016-09-06 A boy befriends a young caveman in this modern children's classic of friendship and adventure. Barney isn't supposed to go near the chalk pit. His grandmother and sister both told him the edge could give way and he could fall in, but what else is he supposed to do on a miserable gray day? It's not long before Barney falls into the pit and bumps his head. But where he lands is more than an old garbage dump. It's a home. There's a little hut built out of discarded junk and more surprisingly there's a boy about Barney's age inside. He speaks in grunts instead of English, wears a rabbit skin loincloth, has shaggy black hair, and might be named something that sounds like Stig. Barney befriends him immediately. Together Barney and Stig go on all sorts of adventures: building a chimney for Stig's hut, joining a foxhunt, stopping robbers, and catching a leopard escaped from the circus. Barney and Stig's escapades have been delighting children for more than fifty years while addressing important topics such as bullying, recycling, and language barriers. This timeless classic is sure to captivate readers young and old with its wit, imagination, and sense of adventure.

**Stig of the Dump** Clive King, 2005 When solitary eight-year-old Barney falls into the clay pit, he meets Stig, the caveman. They embark upon a series of wild adventures.
