## **The Applegates:**

The Modoc War Robert Aquinas McNally, 2017-11 On a cold rainy dawn in late November 1872 Lieutenant Frazier Boutelle and a Modoc Indian nicknamed Scarface Charley leveled firearms at each other Their duel triggered a war that capped a decades long genocidal attack that was emblematic of the United States conquest of Native America s peoples and lands Robert Aquinas McNally tells the wrenching story of the Modoc War of 1872 73 one of the nation s costliest campaigns against North American Indigenous peoples in which the army placed nearly one thousand soldiers in the field against some fifty five Modoc fighters Although little known today the Modoc War dominated national headlines for an entire year Fought in south central Oregon and northeastern California the war settled into a siege in the desolate Lava Beds and climaxed the decades long effort to dispossess and destroy the Modocs The war did not end with the last shot fired however For the first and only time in U S history Native fighters were tried and hanged for war crimes The surviving Modocs were packed into cattle cars and shipped from Fort Klamath to the corrupt disease ridden Quapaw reservation in Oklahoma where they found peace even more lethal than war The Modoc War tells the forgotten story of a violent and bloody Gilded Age campaign at a time when the federal government boasted officially of a peace policy toward Indigenous nations This compelling history illuminates a dark corner in our country s past Wilderness and the American Spirit Ruby McConnell, 2024-03-19

Wilderness and the American Spirit is a gripping exploration of the American spirit and our relationship to the environment that blends science history cultural criticism and storytelling through the myths and stories of the American West along the Applegate Trail The book tells a story of expansion of a nation across the continent illuminating the path we took to arrive here in the 21st century at the forward edge of environmental catastrophe and consequence Told through stories of the first American emigrants who traveled west to the present day These are stories of consumption wealth and power that illuminate the American relationship to the environment and this storytelling model is a basis for new environmental thinking The Tower Treasure Franklin W. Dixon, 2022-12-19 The Tower Treasure is the first book in The Hardy Boys original series It was written by Charles Leslie McFarlane who was a Canadian journalist novelist screenwriter and filmmaker He is most famous for ghostwriting many of the early books in Hardy Boys series using the pseudonym Franklin W Dixon In 1959 this book was revised by Harriet S Adams as a result its plot was significantly rewritten The book ranks 55th on Publishers Weekly s All Time Bestselling Children s Book List for the United States This book is one of the Original 10 generally considered by historians and critics of children s literature to be the best examples of all the Hardy Boys writing A lot of stories about the young detectives of the Hardy brothers were written by the same authors who invented the famous detective Nancy Drew TV series and computer games were made based on the Hardy Brothers books In The Tower Treasure Frank and Joe Hardy have to investigate several cases at once Their friend Chet s car was stolen and the cash register at the ferry station was robbed Witnesses say a redheaded man was seen at the scene of the crimes While the Hardy detectives are trying to figure out the

circumstances under which the crimes were committed another event happens that shakes the whole town the local landmark an impregnable mansion castle was robbed Is the same red haired stranger involved or is there a whole gang of criminals running around Jesse Applegate Leta Lovelace Neiderheiser,2011-02 A history of Oregon without Jesse Applegate would be like Exodus without Moses Like Moses Jesse led pioneers through the wilderness across the Oregon Trail in 1843 Like Moses he was a law giver and like Moses when proper provocation occurred he sometimes threw down the tablets Jesse Applegate A Dialogue with Destiny gives a comprehensive historical perspective to the life of this interesting complicated man who played a major role in the formation of Oregon Throughout his amazing life he led the cow column of 43 west to Oregon wrote the constitution of 45 played a major role in the solving of the Cayuse War led the expedition to find a new southern route in 46 and fought to keep Oregon free of slavery But perhaps even more important was the moral compass he provided for the emerging Oregon society Through his letters to editors of newspapers and to prominent political figures he provided comment council criticism and loyal opposition to those in power His opinions were sought by local state and federal leaders as well as the historians of the day **The Centennial History of Oregon, 1811-1912** Joseph Gaston,1912 **An Illustrated History of Central Oregon** ,1905 **Film Monthly** ,1990 **The Works of Hubert Howe Bancroft: History of Oregon. 1886-88** Hubert Howe Bancroft,1886 *Reports of Cases Determined in the Courts of Appeal of the State of California* ,1991 *Pacific Christian Advocate* ,1907 *Oregon Historical Quarterly* Oregon Historical Society,1903 **Modern Hospital** ,1924 **New York Magazine** ,1991-02-11 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Changing Times** ,2007 **The Chicago Banker** ,1922 **The Maid He Married** Harriet Elizabeth Prescott Spofford,1899 The Saturday Evening Post ,1922 **The Works of Hubert Howe Bancroft: History of Oregon. 1886-1888** Hubert Howe Bancroft,1886 **The Overland Monthly** ,1891 *American Ancestry: Embracing lineages from the whole of the United States. 1888[-1898. Ed. by Frank Munsell* ,1898
