Healing Magic and Evil Demons Markham J. Geller,2015-12-14 This book brings together ancient manuscripts of the large compendium of Mesopotamian exorcistic incantations known as Uduh hul Utukku Lemnutu directed against evil demons ghosts gods and other demonic malefactors within the Mesopotamian view of the world It allows for a more accurate appraisal of variants arising from a text tradition spread over more than two millennia and from many ancient libraries

The Persian Alexander ,2017-10-27 Alexander the Great 356 333 BC was to capture the imagination of his contemporaries and future generations His image abounds in various cultures and literatures Eastern and Western and spread around the globe through oral and literary media at an astonishing rate during late antiquity and the early Islamic period The first Iskandarnama or The Book of Alexander now held in a private collection in Tehran is the oldest prose version of the Alexander romance in the Persian tradition Thought to have been written at some point between the eleventh and fourteenth centuries by an unknown author the lively narrative recasts Alexander as Iskandar a Muslim champion a king and

prophet albeit flawed but heroic and remarkably appropriated to Islam though the historic Alexander lived and died some 1 000 years before the birth of the faith This new English translation of the under studied text is the first to be presented unabridged and sheds fresh light onto the shape and structure of this vital document In so doing it invites a reconsideration of the transformation of a Western historical figure and one time mortal enemy of Persia into a legendary hero adopted by Iranian historiographic myth making Evangelos Venetis the translator also offers a textual analysis providing much needed context and explanations on both content and subsequent reception This landmark publication will be invaluable to students and scholars of classical Persian literature ancient and medieval history and Middle East studies as well as to anyone studying the Alexander tradition
