The Making Of Love:

The Making of Love Steve Biddulph, Shaaron Biddulph, 2001 Love starts out as a blessing even a fluke but it continues as an achievement Steve and Shaaron Biddulph Steve and Shaaron Biddulph s classic book on how to find and grow the love between a man and a woman has been credited with saving the marriages of couples across the globe Written in their earthy honest and warm style and revised and updated for the twenty first century it includes How to recognise and balance the levels of connection loving lusting and liking in your relationship How commitment can be built up in small safe steps How having children helps you grow up Getting through the crises that every couple has The changes that children bring and how to make these a plus A long term loving relationship is an achievement a craft and it can take years to develop *The Making of Love* is unique in that it explores the issues that couples face from both the male and female point of view and illustrates these through moving stories from people s lives

The English in Love Claire Langhamer, 2013-08-22 Love has a history It has meant different things to different people at different moments and has served different purposes This book tells the story of love at a crucial point a moment when the emotional landscape changed dramatically for large numbers of people It is a story based in England but informed by America and covers the period from the end of the First World War until the break up of The Beatles To the casual observer this era was a golden age of marriage More people married than ever before They did so at increasingly younger ages And there was a revolution in our idea of what marriage meant Pragmatic notions of marriage as institution were superseded by the more romantic ideal of a relationship based upon individual emotional commitment love sex and personal fulfilment And yet this new idea of marriage based on a belief in the transformative power of love and emotion carried within it the seeds of its own destruction Romantic love particularly when tied to sexual satisfaction ultimately proved an unreliable foundation upon which to build marriages fatally it had the potential to evaporate over time and under pressure Scratching beneath the surface of the apparent golden age of marriage Claire Langhamer uncovers the real story of love in the twentieth century via the recollections of ordinary people who lived through the period It is a tale of quiet emotional instability persistent subversion and unsettling change At its end the idea of life long marriage was in serious decline And as Langhamer shows this was a decline directly rooted in the contradictions and tensions that lay at the heart of the emotional revolution itself

The Power of Love Lori Foster, Erin McCarthy, Toni Blake, Lucy Monroe, LuAnn McLane, 2008-06-03 Twelve all new stories of women s resilience empowerment and fulfillment by bestselling and award winning authors In this engaging anthology of never before published stories twelve authors are united by their unique visions of the female experience A young woman is torn between the security of her fianc and the excitement of an old flame a desperate wife is forced into the workplace for the first time in her life an ambitious professional woman finally finds the courage to take control of her career and her man an emotionally fragile divorcee finds resolve in the ethereal visitations of an archangel These are just some of the women who discover and rediscover their own wonderfully fallible but ultimately

strong selves in the shadow of love romantic love platonic love new love and lost love Readers will be touched inspired charmed and entertained by these original stories of disparate longings unsettled lives and the power of love Includes 12 stories by New York Times Bestselling Author Lori Foster and Erin McCarthy Toni Blake Dianne Castell Karen Kelley Rosemary Laurey Janice Maynard LuAnn McLane Lucy Monroe Patricia Sargeant Kay Stockham and J C Wilder A PORTION OF THE PROCEEDS FROM THE POWER OF LOVE GOES TO THE BATTERED WOMEN S SHELTER OF CINCINNATI

The Lottery of Love Augustin Daly,1884 **The Greatest Love Poems of All Time** Cook & Brothers,2015-01-09 This book is very humorous and it gets straight to the point It could leave you with tears falling from your eyes or make you very angry My mama was my heart and my soul She taught me everything I know I am the man I am because of her She was my backbone She was there for me through hard times and good times What can I say Words do not explain the things I feel about my mama She stood by my side when no one else would She was truly truly a mother **Love** Tom Inglis,2013-03-05 Love is a dominant theme in Western popular culture It has become central to the meaning of everyday life propagated through the media and the market Being in love has become idealised With the demise of institutional religion in the West romantic love has become the dominant form of inner worldly salvation In Foucault s terms it has become a key component in the arts of existence and the care of self In this highly accessible introduction to love of all kinds Tom Inglis gives a clear concise picture of how love shapes and is shaped by society How is romantic love linked to capitalism What is the difference between romantic love and loving How is love connected to separation loss and grief Inglis addresses all these questions and looks at how today s changing circumstances globalisation mobile lives and a new rugged individualism have changed our perceptions of love and relationships Love is an engaging thoughtful introduction to the subject for students academics and general readers alike Love and a bottle George Farquhar,1892 *The Poems* D.H. Lawrence,2019-02-20 A collection of modern English poetry from the celebrated author of *Lady Chatterly s Lover* This definitive collection of D H Lawrence s poems both previously published and some not presents here with the poems in their intended forms reversing censorship and correcting long missed errors for the first time The texts are accompanied by a comprehensive study of the composition publication and reception of Lawrence s most iconic poetry *Love Upside Down* Steven Ogden,2011-03-16 Oh no another book on love But this is different This is for people who are looking for a gritty account of life love and the dilemmas of human existence This is for twenty first century thinkers and lovers from searching Christians to open minded agnostics and willing atheists who want a genuine account of love that respects human experience and mines the depths of a greater wisdom Steven Ogden taps into Christianity but there is no old man in the sky pulling the strings and no bible bashing or hocus pocus And instead of Jesus meek and mild he recommends the subversive Jesus this Jesus provoked outrage and censure all in the name of love because people were more important to him than religious dogma principles and institutions This is love upside down This means we can look at the big issues of our day with new eyes Love Upside Down looks at

contemporary attitudes regarding women the environment and homosexuality to see if love can make a difference *Being in Time to the Music* David Ross,2008-12-18 Being in time to the music from the ground up is a work in phenomenology where this term is broadly defined comprehending Plato Heidegger Hegel and Marx The most direct referent is Hegel together with the theoretical revolution that he initiated with Phenomenology of Mind This text s more general purpose is to set the tone for a 21st communism based upon the idea of dancing with death assuming full responsibility for one s mortality and abandoning the self to love as the meaning of existence This dance is choreographed through my conversations with the above mentioned writers In conversing with them I aim to displace if not usurp them from the throne of honour which is nothing more than the authority borrowed from me By this I do not intend to deny completely their other to me character However they exist or even figure for me both in the sense of of count having importance as those that I read and by which I read myself They have borrowed my authority namely my own potential to be an author So reading them is to re assume that borrowed authority The life of the reader to paraphrase Barthes begins with the death of the author *Historical Anthropology of the Family* Martine Segalen,1986-11-28 Over the past decade or so the social scientific sociological analysis of the family has been obliged to reconsider its traditional view that industrialisation triggered a shift within society from the large family which fulfilled all social functions from socialising the children to caring for the sick and the old to the modern nuclear family which was regarded solely as being the locus for emotional relationships Historians have shown that in the past there was a variety of family structures within a range of varying demographic economic and cultural frameworks distinctive for each society At the same time the interaction between sociology and social anthropology has led to a clearer conceptual analysis of that vague polysemic term family and notions of dwelling place descent marriage the relative roles of husband and wife and parent child relations as well as the more general relations between generations have in a variety of past and present social contexts been taken apart and analysed In this book the author synthesises European and North American historical and social anthropological material on the family that shows the reversal of the frequently held view of the family as an institution in decline showing it instead to be both dynamic and resistant *Lads' Love* Samuel Rutherford Crockett,1897 *Love and Valor* Tom Hood,1872 *Primitive Love and Love-stories* Henry T. Finck,1899 Aboriginal and Torres Strait Islander peoples are advised that this resource may contain images transcripts or names of Aboriginal and Torres Strait Islander peoples now deceased It may also contain historically and culturally sensitive words terms and descriptions **Love in the Hills** Fanny Emily Penny,1913 **The Columbia Granger's Index to Poetry in Anthologies** Tessa Kale,2007 For over a hundred years The Columbia Granger s Index to Poetry in Anthologies has been the preeminent index for answers to questions about the world of poetry identifying the author of a poem or the anthologies in which it can be found when only a title first line or last line is known This latest edition a must have for libraries brings its index up to date as of May 31 2006 This latest version features 85 000 classic and contemporary poems by 12 000 poets Also included

are works in translation and for the first time poetry in Spanish Vietnamese and French The subject organization of the poems is especially useful Hundreds of new subjects have been added indexing poems on highly relevant topics such as Osama bin Laden the war in Iraq Dick Cheney the Internet and Rosa Parks as well as timeless subjects like the Bill of Rights unspoken love faith and inspiration Our impressive team of consultants includes J D McClatchy Harvey Shapiro and former poet laureate Mark Strand From The Norton Anthology of Poetry 2005 edition to Poetry after 9 11 and Garrison Keillor s Good Poems this new edition puts readers in touch with the best of the latest anthologies and the lasting favorites
