Is peace the missing piece in your day? Emotional distress and physical disease have something in common: stress. What is the antidote? The peace of Christ. Tragically many Christians are living far below their true inheritance engulfed in stress and captured by their own emotional life rather than being lifted and carried on the river of peace. God is sending their way each day. These 24 lessons from Healing Streams Matters of the Heart teaching series will show you how to bring your heart to God and how to receive His Heart for you. Where our inner state is concerned there are two great assignments which are actually gracious invitations to experience the life Jesus died to give us. The first task is restoration. Preparing our inward state to hold up under the pressures of daily life requires recovery of the natural grace that got lost along the way. For all kinds of reasons, not least of which is getting free of the pain we need to recover from any emotional brokenness coming to us from our past. But there is another level. The second task is mastery. As we learn to manage our emotional life we not only receive freedom from the past but we gain the graced ability to reign with wisdom over our own emotions making it possible to live even the most active days with deep peace and Spirit-led resourcefulness.
