The Monarchy And Its Future:

The Future of the Monarchy Fabian Society (Great Britain). Commission on the Future of the Monarchy, 2003

Austria-Hungary and the Origins of the First World War Samuel R. Williamson Jr, 1990-12-12 A major re examination of Habsburg decision making from 1912 to July 1914 the study argues that Austria Hungary and not Germany made the crucial decisions for war in the summer of 1914 Based on extensive new archival research the book traces the gradual militarization of Austro Hungarian foreign policy during the Balkan Wars The disasters of those wars and the death of the Archduke Franz Ferdinand the heir apparent and a force for peace in the monarchy convinced the Habsburg elite that only a war against Serbia would end the South Slav threat to the monarchy s existence Williamson also describes Russia s assertive foreign policy after 1912 and stresses the unique linkages of domestic and foreign policy in almost every issue faced by Habsburg statesmen

Last Great Queen? Unity Elias YANG, 2014-04-23 Elizabeth II is a model of feminine excellence and an example for young people who may not be born to royal families but who should consider themselves as princesses and princes of the family to which they have been born Like Elizabeth who even as a child knew the significance of the role into which she had been born and started training for the future task young people should prepare for their future by acquiring training early in their life Like Elizabeth who married the first man she fell in love with young women should insist on marrying the first man they fall in love with to preserve and protect their womanhood and honour Finally Elizabeth trained as a car mechanic and driver despite her wealthy royal background How many women have the courage today to train in skills which society considers a mans domain The Queen of England recommends training to young people with this remark Its all to do with the training you can do a lot if you are properly trained In this era when the monarchy is considered to be an outdated institution the British Royal Family has made it known that they will step aside when the British people will ask them to do so What makes the British monarchy different from other royals in the world What in the 1870s might have motivated the pre colonial Kings of Douala on the coast of todays Cameroon to apply to Queen Victoria the great grandmother of Queen Elizabeth II to colonise them Unity Elias Yang is also the author of *The Third World where is it A Global State through Democratic Federal World Government* Your Babys long journey to school Little Anita visits the Bank Children and Citizenship levels 1 6 Women and Childrens Chamber of Parliament democratising representation *The Eclectic Magazine of Foreign Literature, Science, and Art*, 1878 *Austro-Hungarian War Aims in the Balkans during World War I* M.
