The Prophet Unarmed:

The Prophet Unarmed Isaac Deutscher, 2003 This second volume of the trilogy is a self contained account of the great struggle between Stalin and Trotsky that followed the end of the civil war in Russia in 1921 and the death of Lenin **The Prophet Unarmed** Isaac Deutscher, 1959 The Prophet Unarmed Isaac Deutscher, 1959 **The Prophet Unarmed** Isaac Deutscher, 2003-01-01 *Trotsky* Isaac Deutscher, 1959 *The Prophet Unarmed* Isaac Deutscher, 1970 **Trotsky: The prophet unarmed: 1921-1929** Isaac Deutscher, The Prophet Unarmed Isaac Deutscher, 1970 Trotsky. Vol II: 1921-1929 The Prophet Unarmed Isaac Deutscher, 1970 **The Prophet [...] Trotsky** Isaac Deutscher, 1959 **Trotsky, Trotskyism and the Transition to Socialism** Peter Beilharz, 2019-11-19 First published in 1987 Trotskyists have long dominated the revolutionary tradition on the Western left Written from a critical socialist standpoint this book provides an analysis of Trotskyism and argues that Trotskyism is increasingly irrelevant as a means of achieving socialism It argues that as the realisation grows that the revolutionary tradition and the authoritarianism which necessarily result from it are wrong the importance of the problem of the transition to socialism increases It argues that on this point Trotskyism is weak that Trotsky's proposals for socialist transition are largely rhetorical and that its democratic impulse is weak It supports this argument by showing that Trotsky's philosophy of history implicit in his writings which the author characterises as evolutionary and necessitarian coupled with a failure to grasp the moral basis of the socialist case has a disabling effect on Trotsky's account of the transition to socialism and on his explanation of Stalinism Moreover it argues that Trotsky's intellectual and political heirs have been unable to escape from the contradictions inherent in his thought **The Prophet Unarmed** Isaac Deutscher, 1986-03 Trotsky, The Passionate Revolutionary Allan Todd, 2022-09-15 Although Trotsky was dramatically assassinated just over eighty years ago he remains a controversial figure He has had many biographers over the decades ranging from the overly sympathetic to the extremely hostile Robert Service his most recent biographer expressed the hope that his book would finish off Trotsky a job he believed the ice axe had failed to do in 1940 This biography as expected deals with those aspects for which Trotsky is noted his passionate and fiery oratory which captivated and inspired huge crowds organising the Bolshevik Revolution of November 1917 masterminding the creation of the Red Army and ensuring its victory during the Civil War becoming the most determined opponent of Stalin's creation of a monolithic party and state being a Marxist theoretician of socialist revolution and combatting fascism and of course being the originator of the very specific brand of revolutionary socialism that as early as 1906 became known as Trotskyism However this biography also explores other aspects of Trotsky's life which are not so well known In particular from a very early age his love of writing the world of books and publishing became his first passion it remained his first love and if revolutionary politics had not taken over his life would have been a very literary one Immediately after the November Revolution he hoped to return to his literary work believing his main practical work as a revolutionary was over His writings on art and literature when compared

to the stultifying strictures of the Socialist Realism associated with Stalinism are remarkably sympathetic and open while he also wrote many perceptive articles as a war correspondent covering both the Balkan Wars and the early stages of the First World War Other aspects covered by this biography concern his family life and his relationships with his children Also explored is his love life while it is known he had a brief affair with the Mexican artist Frida Kahlo there are also suggestions he may have had other affairs Whatever the truth of such allegations he certainly maintained a passionate relationship with his long term companion Natalya Sedova and readers should be aware that one proof of that provided towards the end of this book contains very explicit language
