God A strictly exclusivist account of the gospel seems to keep many people out of the kingdom of heaven An inclusivist approach is more consonant with Scripture and the love of God Yet standard models of inclusivism are problematic In this book McLeod Harrison a Christian philosopher considers what s wrong with both narrow exclusivist and narrow inclusivist accounts of the gospel and proposes a broad inclusivism called expansivism An expansive account of the gospel helps us understand the uniqueness and the openness of the gospel together Narrow exclusivism can lead to existential crises Narrow inclusivism appears to make not preaching the gospel better for those who ve never heard it Expansivism makes human access to the gospel unique to the individual person and enables Christian theologians to provide lots of different potentially conflicting and yet true accounts of the theological underpinnings of the salvation provided by Christ **Christ**

Triumphant Thomas Allin,2015-06-08 I plead for the acceptance of this central truth as the great hope of the gospel that the victory of Jesus Christ must be final and complete i e that nothing can impair the power of his cross and passion to save the entire human race Thomas Allin In 1885 the Rev Thomas Allin waded into the debates on final punishment that had plagued the Church of England during the nineteenth century His contribution was a radical book that sought to demonstrate that reason tradition and Scripture all affirm that God will one day redeem his whole creation through Jesus Christ Universal salvation he maintained was the only way to coherently affirm the victory of God over evil Allin s book is one of the first detailed attempts to show that global salvation was not some modern heresy but an ancient Christian tradition with a serious claim to catholicity and orthodoxy Turning the tables on the critics Allin boldly argued that universalism far from being dangerous was actually needed to defend the orthodox faith of the church This new edition of Allin s classic work includes an introduction that sets it in its historical context the addition of subtitles to help readers navigate the argument and numerous explanatory annotations *The Language, Mythology, and Geographical Nomenclature of Japan Viewed in the Light of Aino Studies* Basil Hall Chamberlain,John Batchelor,1887 *New-Church Messenger* ,1914 **AKASHVANI** All India Radio (AIR), New Delhi ,1978-02-12 Akashvani English is a programme journal of ALL INDIA RADIO it was formerly known as The Indian Listener It used to serve the listener as a bradshaw of broadcasting and give listener the useful information in an interesting manner about programmes who writes them take part in them and produce them along with photographs of performing artists It also contains the information of major changes in the policy and service of the organisation The Indian Listener fortnightly programme journal of AIR in English published by The Indian State Broadcasting Service Bombay started on 22 December 1935 and was the successor to the Indian Radio Times in English which was published beginning in July 16 of 1927 From 22 August 1937 onwards it used to published by All India Radio New Delhi From 1950 it was turned into a weekly journal Later The Indian listener became Akashvani English w e f January 5 1958 It was made fortnightly journal again w e f July 1 1983 NAME OF THE JOURNAL AKASHVANI LANGUAGE OF THE JOURNAL English DATE MONTH YEAR OF PUBLICATION 12 FEBRUARY 1978 PERIODICITY OF THE JOURNAL Weekly NUMBER OF PAGES 68 VOLUME
