Zen Comics:

Zen Comics (II), 1982 Read one or two of the witty and provocative Zen riddles in this book and you will find in the words of Zen that nothing is left for you but to laugh In Ioanna Salajan s delightful drawings the Old Monk and his disciples spread the message of Zen through stories and koan that are as hilarious as they are profound as meaningful as they are mysterious This book dips further into the treasures of Zen wisdom that furnished the first volume of Zen Comics which has enjoyed extraordinary popularity around the world Due to the concise self contained nature of the Zen riddle those who have not read the first volume can start just as well with this second one The comic strip turns out to be an ideal medium to communicate the Zen spirit in which laughter deflates pretension and a good rap on the head may transcend all logic A koan is a paradox used in Zen Buddhism as an instrument of meditation a bit of apparent nonsense that forces one to abandon dependence on reason and break through to sudden intuitive understanding The Old Monk a wise and whimsical character dispenses enlightenment to his disciples and perhaps the reader through these ironic rapier like verbal thrusts or sometimes a whack with a stick Zen teaches that it is not where you are going but how you are going Truly there is no better way to go than with these fresh but eternal gems of insight **Zen Comics**, 1974 Comics communicate the Zen spirit perfectly Laughter deflates pretension and a good rap on the head sometimes transcends so called logic In the words of Zen Nothing is left for you but to laugh The Holy Ghost John Hendrix, 2022-05-10 From the New York Times bestselling and award winning artist John Hendrix comes The Holy Ghost a charming funny and thought provoking collection of spiritual comics Foreword by Patrick McDonnell Does God exist Is there a heaven What s the point of it all Do we even matter This collection of thought provoking humorous comic strips is a series of conversations between a squirrel a badger and a friendly blue ghost who may or may not be one third of the Holy Trinity Charming witty and at times poignant yet never holier than thou John Hendrix tackles some of life s greatest questions Whether you consider yourself faithful or a nonbeliever these delightfully off kilter comics deliver laughter comfort and philosophical musings with humble honest spirit and just the right dose of playful irreverence The Holy Ghost introduces us to a spirit who is charming approachable and insightful he does for this underrated part of the Godhead what Charles M Schulz did for beagles St Louis Public Radio **The Comic Book** Paul Sassienie, 1994 The one essential guide for comic book fans everywhere *Seven Voices* Gianluca Testaverde, 2024-12-16 Set during one of the saddest periods in human history Seven Voices presents seven great stories told by a group of exceptional authors Seven different points of view seven voices that scream loudly so that the memory of the extermination camps never fades of people fleeing from their miserable shelters of ghosts of the past returned to torment their persecutors A graphic novel created so that we never forget *Illuminated Fantasy* James Whitlark, 1988 The central and later decades of the twentieth century have not only been marked by the popularity of fantasy in general but of fantastic graphics in particular As a literature relatively new to academic consideration however fantasy lacks a universally accepted definition and no previous author has

adequately studied the general differences between the literalness of realistic illustration and the paradoxes of fantastic illumination In *Illuminated Fantasy* James Whitlark presents a detailed analysis of the significance of picture text discrepancy its history its various forms and its psychological complexities
