## **These Early Americans:**

*Urban Rehearsals and Novel Plots in the Early American City* Elizabeth Klimasmith, 2021 Explores how early American Republic literary texts about urban life played an important role in constructing urban spaces and identities in the young United States and how books allowed readers to access and practice being urban

**Transatlantic Radicals and the Early American Republic** Michael Durey, 1997 In the transatlantic world of the late eighteenth century easterly winds blew radical thought to America Thomas Paine had already arrived on these shores in 1774 and made his mark as a radical pamphleteer during the Revolution In his wake followed more than 200 other radical exiles English Dissenters Whigs and Painites Scottish lads o parts and Irish patriots who became influential newspaper writers and editors and helped change the nature of political discourse in a young nation Michael Durey has written the first full scale analysis of these radicals evaluating the long term influence their ideas have had on American political thought *Transatlantic Radicals* uncovers the roots of their radicalism in the Old World and tells the story of how these men came to be exiled how they emigrated and how they participated in the politics of their adopted country Nearly all of these radicals looked to Paine as their spiritual leader and to Thomas Jefferson as their political champion They held egalitarian anti federalist values and promoted an extreme form of participatory democracy that found a niche in the radical wing of Jefferson s Republican Party Their divided views on slavery however reveal that democratic republicanism was unable to cope with the realities of that institution As political activists during the 1790s they proved crucial to Jefferson s 1800 presidential victory then after his views moderated and their influence waned many repatriated others drifted into anonymity and a few managed to find success in the New World Although many of these men are known to us through other histories their influence as a group has never before been so closely examined Durey persuasively demonstrates that the intellectual ferment in Britain did indeed have tremendous influence on American politics His account of that influence sheds considerable light on transatlantic political history and differences in religious political and economic freedoms Skillfully balancing a large cast of characters *Transatlantic Radicals* depicts the diversity of their experiences and shows how crucial these reluctant migr s were to shaping our republic in its formative years

**Slavery and Sectional Strife in the Early American Republic, 1776-1821** Gary J. Kornblith, 2009-10-16 *Slavery and Sectional Strife in the Early American Republic 1776 1821* focuses on slavery as a moral and political issue that threatened the unity and stability of the United States from the nation s inception In tracing the story of slavery in America s history from 1776 through the Missouri Compromise Gary J Kornblith highlights a number of important themes the general acceptance of slavery in colonial America the reevaluation of human bondage during the American Revolution how decisions made by the Founding Fathers shaped the future of slavery in the new United States and whether the Civil War was the inevitable result of those decisions Students are encouraged to reach their own conclusions through reading key primary documents

**The Culture and Commerce of the Early American Novel** Stephen

Shapiro,2010-11 Taking his cue from Philadelphia born novelist Charles Brockden Brown s *Annals of Europe and America* which contends that America is shaped most noticeably by the international struggle between Great Britain and France for control of the world trade market Stephen Shapiro charts the advent decline and reinvigoration of the early American novel That the American novel sprang so unexpectedly into published existence during the 1790s may be a symptom of the beginning of the end of Franco British supremacy and a reflection of the power of a middle class riding the crest of a new world economic system Shapiro s world systems approach is a relatively new methodology for literary studies but it brings two particularly useful features to the table First it refines the conceptual frameworks for analyzing cultural and social history such as the rise in sentimentalism in relation to a long wave economic history of global commerce second it fosters a new model for a comparative American Studies across time Rather than relying on contiguous time a world systems approach might compare the cultural production of one region to another at the same location within the recurring cycle in an economic reconfiguration Shapiro offers a new way of thinking about the causes for the emergence of the American novel that suggests a fresh way of rethinking the overall paradigms shaping American Studies *Health and Sickness in the Early American Novel* Maureen Tuthill,2016-09-26 This book is a study of depictions of health and sickness in the early American novel 1787 1808 These texts reveal a troubling tension between the impulse toward social affection that built cohesion in the nation and the pursuit of self interest that was considered central to the emerging liberalism of the new Republic Good health is depicted as an extremely positive social value almost an a priori condition of membership in the community Characters who have the glow of health tend to enjoy wealth and prestige those who become sick are burdened by poverty and debt or have made bad decisions that have jeopardized their status Bodies that waste away faint or literally disappear off of the pages of America s first fiction are resisting the conditions that ail them as they plead for their right to exist they draw attention to the injustice apathy and greed that afflict them *The Ricardian Rent Theory in Early American Economics* John Roscoe Turner,1921 **Sketches Illustrating the Early Settlement and History of Glengarry in Canada ...** John Alexander Macdonell,1893 *A Short History of the American People* Edna Henry Lee Turpin,1911 *The American Friend* ,1900 **American Monthly Review of Reviews** ,1891 **Annual Report of the Bureau of American Ethnology to the Secretary of the Smithsonian Institution** Smithsonian Institution. Bureau of American Ethnology,1883 *Encyclopaedia of Religion and Ethics* James Hastings,John Alexander Selbie,Louis Herbert Gray,1917 **The American Missionary** ,1891 Vols 13 62 include abridged annual reports and proceedings of the annual meetings of the American Missionary Association 1869 1908 v 38 62 include abridged annual reports of the Society s Executive committee 1883 84 1907 1908 **Theatre Magazine** ,1916 **Annual Report of the American Historical Association** American Historical Association,1908 *Transactions of the American Pediatric Society* American Pediatric Society,1897 List of members in each vol **Bulletin of the American Academy of Medicine** American Academy of Medicine,1910 *The American*

antiquarian and oriental journal ,1886      American Journal of Science and Arts ,1920      **Proceedings of the Meeting of  
the Convention of American Instructors of the Deaf** Convention of American Instructors of the Deaf,1926 List of
