**The Things I Came Here With** Chris MacDonald,2022-10-18 Does it hurt When you re a tattoo artist that s the most universal question For Chris MacDonald the answer is simple hurts less than a broken heart Those words are painted above the entrance to his shop Under My Thumb Tattoos as a reminder Chris and his brothers were as wild as the wind in their house among the fields of Alliston Ontario when their parents divorced Shell shocked they were uprooted and brought to Toronto by their dad Their mother s mental illness worsened in the aftermath and she disappeared As a teenager Chris left home and found himself immersed in the city s underbelly a world where drugs skateboarding and punk rock reigned Between the youth shelters suicidal thoughts and haunted apartments a light shined and it was art He eventually found himself following the path of his brother Rob and pursuing life as a tattooist Then at the height of a destructive summer everything changed he met Megan the girl who would become his rock of ages This remarkable memoir examines what tattooing means to MacDonald and traces the connection his artistic motives have to both his family and childhood **The Things I Came Here With** is about how crucial our past is to understanding our future but it s also a love letter to his daughter about the importance of expression life s uncertainty and beauty
