Apostolic and Prophetic Foundations 101 Roderick Levi Evans,2014-08-05 The focus of this teaching and study material is to bring clarity and understanding to the apostolic and prophetic offices and also to the apostolic and prophetic anointings These lessons will help individuals to recognize the operations of these anointings in the lives of believers *How Prophecy Works* William L. Kelly,2019-12-09 There is a longstanding scholarly debate on the nature of prophecy in ancient Israel Until now no study has based itself on the semantics of the Hebrew lexeme n b prophet This investigation by William L Kelly discusses the nature and function of prophecy in the corpus of the Hebrew book of Jeremiah It analyses all occurrences of n b in Jeremiah and performs a close reading of three primary texts Jeremiah 1 4 19 23 9 40 and 27 1 28 17 The result is a detailed explanation of how prophecy works and what it meant to call someone a n b in ancient Israel Combining the results of the semantic analysis and close readings the study reaches conclusions for six main areas of study 1 the function and nature of prophecy 2 dreams and visions 3 being sent 4 prophets priests and cult 5 salvation and doom and 6 legitimacy and authority These conclusions explain the conceptual categories related to n b in the corpus I then situate these findings in two current debates one on the definition of n b and one on cultic prophecy This study contributes to critical scholarship on prophecy in the ancient world on the book of Jeremiah and on prophets in ancient Israel It is the first major study to analyse n b based on its semantic associations It adds to a growing consensus which understands prophecy as a form of divination Contrary to some trends in Jeremiah scholarship this work demonstrates the importance of a close reading of the Masoretic Hebrew text This study uses a method of a general nature which can be applied to other texts Thus there are significant implications for further research on prophecy and prophetic literature The Apocalypse Explained According to the Spiritual Sense Emanuel Swedenborg,1894 **Improvement of the Understanding** Benedictus de Spinoza,1901
