Understanding Toscanini:

Understanding Toscanini Joseph Horowitz,1994-01-01 As America's symbol of Great Music Arturo Toscanini and the masterpieces he served were regarded with religious awe As a celebrity personality he was heralded for everything from his unwavering stance against Hitler and Mussolini and his cataclysmic tantrums to his democratic penchants for television wrestling and soup for dinner During his years with the Metropolitan Opera 1908-15 and the New York Philharmonic 1926-36 he was regularly proclaimed the world's greatest conductor And with the NBC Symphony 1937-54 created for him by RCA's David Sarnoff he became the beneficiary of a voracious multimedia promotional apparatus that spread Toscanini madness nationwide According to Life he was as well known as Joe DiMaggio Time twice put him on its cover and the New York Herald Tribune attributed Toscanini's fame to simple recognition of his unique greatness In this boldly conceived and superbly realized study Joseph Horowitz reveals how and why Toscanini became the object of unparalleled veneration in the United States Combining biography cultural history and music criticism Horowitz explores the cultural and commercial mechanisms that created America's Toscanini cult and fostered in turn a Eurocentric anachronistic new audience for old music

Understanding Toscanini Joseph Horowitz,1987 As America's symbol of Great Music Arturo Toscanini and the masterpieces he served were regarded with religious awe As a celebrity personality he was heralded for everything from his unwavering stance against Hitler and Mussolini and his cataclysmic tantrums to his democratic penchants for television wrestling and soup for dinner During his years with the Metropolitan Opera 1908-15 and the New York Philharmonic 1926-36 he was regularly proclaimed the world's greatest conductor And with the NBC Symphony 1937-54 created for him by RCA's David Sarnoff he became the beneficiary of a voracious multimedia promotional apparatus that spread Toscanini madness nationwide According to Life he was as well known as Joe DiMaggio Time twice put him on its cover and the New York Herald Tribune attributed Toscanini's fame to simple recognition of his unique greatness In this boldly conceived and superbly realized study Joseph Horowitz reveals how and why Toscanini became the object of unparalleled veneration in the United States Combining biography cultural history and music criticism Horowitz explores the cultural and commercial mechanisms that created America's Toscanini cult and fostered in turn a Eurocentric anachronistic new audience for old music

Understanding Toscanini Joseph Horowitz,1988-01 Combining biography cultural history and music criticism the author explores the cultural and commercial mechanisms that aided in the formation of the Toscanini legend and reveals Toscanini himself as a musician's icon

Music and the Broadcast Experience Christina L. Baade,James Andrew Deaville,2016 How can broadcasting help us understand music and its cultural role both historically and today To answer this question Music and the Broadcast Experience brings together fourteen leading music and media scholars who explore how music and broadcasting have developed together throughout the twentieth and into the twenty-first centuries

Classical Music In America Joseph Horowitz,2005-03-15 Classical Music in America is a pioneering history by an

award winning scholar and leading authority on American symphonic culture Joseph Horowitz argues that classical music in the United States is peculiarly performance driven and he traces a musical trajectory rising to its peak at the close of the nineteenth century and receding after World War I He defines the decades of ascendancy as the quest for an American compositional voice painting vivid vignettes of America s most celebrated performers and such pathbreaking institutions as the New York Philharmonic and the Metropolitan Opera He explores a century of decline characterized by illustrious orchestras conductors and virtuosos mostly foreign born and in a final chapter he exposes a crisis of leadership and suggests new musical directions in our postmodern age As with his acclaimed cultural histories Horowitz here fashions a sweeping narrative backed with personality and incident textured by literature sociology and intellectual history that freshly illuminates the American experience 32 pages of illustrations *Musical Elaborations* Edward W. Said,1991 Examines the performance of Western high art music the politicized theorizing of it and the use of melody solitude and affirmation in it

Gustav Mahler Stuart Feder,2004-01-01 The final crisis of Mahler s career occurred in 1910 when he learned that his wife Alma was having an affair with the architect Walter Gropius The revelation precipitated a breakdown while Mahler was working on his Tenth Symphony The anguished suicidal notes Mahler scrawled across the manuscript of the unfinished symphony reveal his troubled state It was a four hour consultation with Sigmund Freud in Leiden Holland that restored the composer s equilibrium Although Mahler left little record of what transpired in Leiden Stuart Feder has reconstructed the encounter on the basis of surviving evidence The cumulative stresses of the crises in Mahler s life in particular Alma s betrayal left him physically and emotionally vulnerable He became ill and died soon after in 1911 BOOK JACKET *The Letters of Arturo Toscanini* Arturo Toscanini,2006-12 Fifty years after his death Arturo Toscanini is still considered one of the greatest conductors in history and probably the most influential His letters expertly collected translated and edited here by Harvey Sachs will give readers a new depth of insight into his life and work As Sachs puts it they reveal above all else a man whose psychological perceptions in general and self knowledge in particular were much more acute than most people have thought likely They are sure to enthrall anyone interested in learning more about one of the great lives of the twentieth century This is a major contribution to our understanding of Toscanini and of several entire eras of late nineteenth and twentieth century musical life especially the almost improvisatory looseness of opera in Italy the glamour of European festivals and the concert life of the United States It s also a wonderful sometimes downright salacious read New York Times Toscanini s large cranky humanity comes alive throughout his letters as it does in his best recordings New York Review of Books Edited with scrupulous care and wide ranging erudition Wall Street Journal Sachs has served the conductor well by editing this generously annotated and unprecedentedly revealing collection of letters that were written usually in haste and often in fury over the course of seventy years Washington Post *Perspectives on American Music, 1900-1950* Michael Saffle,2012-10-12 The essays in this collection reflect the range and depth of musical life in the United States during the first

half of the twentieth century Contributions consider the rise and triumph of popular forms such as jazz swing and blues as well as the contributions to art music of composers such as Ives Cage and Copland among others American contributions to music technology and dissemination and the role of these forms in extending the audience for music is also a focus

Radio's Civic Ambition David Goodman,2011-04-12 In its golden age American radio both entertained and also fostered programs meant to produce self governing and opinion forming individuals promoting openness to change and tolerance of diversity familiarity with classical music and knowledge of world affairs As author David Goodman argues the ambitions of radio s golden age have strong significance today as evidence that media regulation in the public interest can have significant and often positive effects

Live Music in America Steve Waksman,2022 When the Swedish concert singer Jenny Lind toured the U S in 1850 she became the prototype for the modern pop star Meanwhile her manager P T Barnum became the prototype for another figure of enduring significance the pop culture impresario Starting with Lind s fabled U S tour and winding all the way into the twenty first century *Live Music in America* surveys the ongoing impact and changing conditions of live music performance in the U S It covers a range of historic performances from the Fisk Jubilee Singers expanding the sphere of African American music in the 1870s to Benny Goodman bringing swing to Carnegie Hall in 1938 to 1952 s Moondog Coronation Ball in Cleveland arguably the first rock and roll concert to Beyonc s boundary shattering performance at the 2018 Coachella festival More than that the book details the roles played by performers audiences media commentators and a variety of live music producers promoters agents sound and stage technicians in shaping what live music means and how it has evolved *Live Music in America* connects what occurs behind the scenes to what takes place on stage to highlight the ways in which live music is very deliberately produced and does not just spontaneously materialize Along the way author Steve Waksman uses previously unstudied archival materials to shed new light on the origins of jazz the emergence of rock n roll and the rise of the modern music festival

While this might not be the Understanding Toscanini full book , it can give you a taste of the authors

writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Understanding Toscanini eBooks, including some popular titles.

FAQs About Understanding Toscanini Books

What is a Understanding Toscanini PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Understanding Toscanini PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Understanding Toscanini PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Understanding Toscanini PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Understanding Toscanini PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
