Until Rob's lips met hers in a soul stirring kiss and he impulsively made her his wife. And his penniless bride now hoped her love would provide Rob with a fortune far greater than the one he sought.

This study will endeavor to present in simple and concise form a survey of this continuous dramatic movement from its earliest recorded expression to contemporary moments under a single cover. Since to know thoroughly the dramatic output of any one period might command the industry of a lifetime the task is a colossal one and precludes any pretense at completeness the treatment is suggestive rather than informative and should be supplemented by a study of the plays indicated under each section. After all the important thing is not the painful piling of fact upon fact but gaining an intelligent

working knowledge of the whole and knowing exactly where to turn for detail when it is needed The information has been gathered from many works upon the various phases to which the writer is deeply indebted all of which are indicated in the bibliographies We purpose then to take a sort of Cook s Tour over the whole domain of the drama touching the main points of interest and leaving the reader to return and explore at leisure **Littell's Living Age** ,1882 **Mr. Darcy Takes a Wife** Linda Berdoll,2004-05-01 What readers are saying Whoa Darcy Some parts are hilarious and some a walk on the wild side for Austen characters Curl up and enjoy Tells the tale I always wanted to hear how the Darcys lived happily ever after The only fault I found with this book was that it ended Every woman wants to be Elizabeth Bennet Darcy beautiful gracious universally admired strong daring and outspoken a thoroughly modern woman in crinolines And every woman will fall madly in love with Mr Darcy tall dark and handsome a nobleman and a heartthrob whose virility is matched only by his utter devotion to his wife Their passion is consuming and idyllic essentially they can t keep their hands off each other through a sweeping tale of adventure and misadventure human folly and numerous mysteries of parentage Hold on to your bonnets This sexy epic hilarious poignant and romantic sequel to Pride and Prejudice goes far beyond Jane Austen
