**Danielle Tiny and the Littles** Cullen Gwin, 2015-01-13 It was late at night very very late at night But somehow little Danielle Tiny couldn't sleep Slowly she climbed out of the milk duds box that served as her bed being careful not to disturb her brother Aaron Tiny who slept above her in an M M box and her tiny twin sister Rachelle who slept nearby Rachelle's bed was made from a peppermint candies box Their mom and dad had made all their beds out of candy boxes so they would have sweet dreams every night but tonight it wasn't working Danielle shivered in the dark Something was different She didn't know what it was but she could feel it Slowly she snuck out of the room When she was in the hallway suddenly she heard a loud noise CRACK It sounded like it was right next to her Danielle froze in her tracks Her fuzzy brown hair stood straight up on its ends making her a whole one quarter inch taller than her normal three inches She was too scared to even run to her mom and dad's room Then as she listened further she began to hear the rain pattering on the big people's roof far above her head Oh it's just a rainstorm Danielle said laughing at herself I'm going up to the lookout place and watch it The lookout place was a special place to the Tinys A couple of years before a small chunk of plaster had fallen off the outside of the building Before the big people noticed the hole the Tinys got up there and covered it over with a piece of glass Once she was in the lookout place Danielle scooted herself all the way over to the edge of the window seat and leaned against the glass The older Tinys never let her get this close before They always said that the glass might fall out and send her plunging hundreds and hundreds of inches to the pavement below but Danielle didn't believe them Suddenly the glass popped out of its slot and tumbled out the hole Danielle waved her arms wildly trying to keep her balance but it was no good She also fell out the hole Find out what happens to Danielle when she falls out the hole and into the big people's world The Tinys are a family of very small people that live inside the walls of a big person's apartment In many ways Tinys are like littles but they don't have tails like littles do There are four children in the Tiny family Gabrielle or Brie as she is better known is the oldest Then comes Aaron the only boy After Aaron are the twins Danielle and Rachelle They all live with their mother and father Living nearby are their grandmother and their Aunti Karen who they spend a lot of time with The Tinys all live in the walls of an apartment that belongs to the Martin family In the Martin Family there are the parents June and Jerry and their only child Peter They also have three cats As you may know cats love to chase things that are smaller than they are and tinys are just the right size for a cat to chase The cats will pounce on the tinys and

bat them around They may not mean to hurt the tinys but they do That s why tinys don t like cats The Tinys work hard at making things work They like to recycle things that the big people throw away They also like parties and good times and spending time together In many ways Tinys are just like you and me only smaller Read about the adventures of the Tinies in this series Ages 7 to 12 Reading level 4 2 3786 Words [Rachelle Tiny and the Giant Kitty Cat](#) Cullen Gwin,2015-01-13 It was a wonderful day Little three year old Rachelle Tiny was in a good mood She was pushing her brand new baby in its brand new stroller up and down the passageways inside the walls of the big people s house And all the while she was singing a happy song Papa Tiny had made the stroller out of a half a walnut shell with wheels made of four matching buttons The teeny Tiny baby doll that fit in it was no more than half an inch tall from the top of its curly yarn head to the bottom of its teeny Tiny feet Mama Tiny had made the doll for her from a few scraps of leftover material and a piece of yarn Rachelle thought the whole thing was magnificent And to make the whole effect even better Rachelle was also wearing her dress up things She had on a necklace made of tiny beads They came down to a point on which was hung a gold foil star from a discarded Christmas decoration In the very center was a piece of silver glitter that sparkled and shone like a diamond The glitter necklace as she called it matched the other tiny pieces of gold foil with glitter that sparkled on her ears All in all Rachelle thought the effect was stunning In fact Rachelle was thinking so much about how pretty she looked that she wasn t paying attention to where she was going The next thing you know Rachelle looked around her and realized that she was lost Read about Rachelle s adventure and what happens when she meets up with one of the big people s cats The Tinys are a family of very small people that live inside the walls of a big person s apartment In many ways Tinys are like littles but they don t have tails like littles do There are four children in the Tiny family Gabrielle or Brie as she is better known is the oldest Then comes Aaron the only boy After Aaron are the twins Danielle and Rachelle They all live with their mother and father Living nearby are their grandmother and their Aunti Karen who they spend a lot of time with The Tinys all live in the walls of an apartment that belongs to the Martin family In the Martin Family there are the parents June and Jerry and their only child Peter They also have three cats As you may know cats love to chase things that are smaller than they are and tinys are just the right size for a cat to chase The cats will pounce on the tinys and bat them around They may not mean to hurt the tinys but they do That s why tinys don t like cats The Tinys work hard at making things work They like to recycle things that the big people throw away They also like parties and good times and spending time together In many ways Tinys are just like you and me only smaller Read about the adventures of the Tinies in this series Ages 7 to 12 Reading level 4 3 3029 Words [A Tiny Family](#) ,1974 A tiny girl and her tiny brother embark on a perilous journey into the house of a giant to retrieve their grandfather s umbrella [Aaron Tiny and the Great Snake Invasion](#) Cullen Gwin,2015-01-13 I m bored thought Aaron Tiny as he sat behind a wall He was staring through a tiny nail hole in the wall watching Peter Martin the big boy in the next room playing video games I could do better than he s doing Aaron sighed At that moment Aaron heard the boy s mother calling him

Peter are you ready to go to Aunt Martha's with me Ready or willing muttered Peter under his breath When his mother appeared in the doorway Peter finally turned off the video game and headed out A moment later Aaron heard the front door close behind them He waited several minutes just to be sure they weren't coming back for something they had forgotten then he quickly hurried down the hallway that had been built into the walls of the big people's house Now was his chance Aaron had discovered a mouse hole that led into Peter's bedroom only the week before It had taken a little exploring but finally he figured out a way to get down to the mouse hole and back up He had needed a rope to climb on but just that week the big family had thrown away an old lamp and the cord was perfect for the task Find out what happens when Aaron sneaks into Peter's room to play a video game and finds himself in the middle of an earthquake
