Within these categories, works cited are further divided according to the type of material, such as book, journal, or dissertation. Also included are a listing of major bibliographies on African American theatre and two appendices that cite reference works and provide a regional listing of African and African Diaspora playwrights and theatre companies. A set of four indexes covering artists, play titles, subjects, and authors of cited works conclude the book and provide easy access to its comprehensive listings. This unique work will be an important resource for courses in African studies, theatre arts, and minority and ethnic studies. It will also be a useful addition to the reference collections of college, university, and public libraries.
