**John Kavanaugh**

## **The Quaker Approach To Contemporary Problems:**

**The Quaker Approach to Contemporary Problems** John Kavanaugh,1970 [The Quaker Approach to Contemporary Problems](#). [By Various Authors.] Edited by J. Kavanaugh John Francis KAVANAUGH,1953 **The Quaker Approach to Contemporary Problems** John Kavanaugh,1953 **Government Surveillance of Religious Expression** Kathryn Montalbano,2018-10-25 Recent revelations about government surveillance of citizens have led to questions about whether there should be better defined boundaries around privacy Should government officials have the right to specifically target certain groups for extended surveillance United States municipal territorial and federal agencies have investigated religious groups since the nineteenth century While critics of contemporary mass surveillance tend to invoke the infringement of privacy the mutual protection of religion and public expression by the First Amendment positions them along with religious expression comfortably within in the public sphere This book analyzes government monitoring of Mormons of the Territory of Utah in the 1870s and 1880s for polygamy Quakers of the American Friends Service Committee AFSC from the 1940s to the 1960s for communist infiltration and Muslims of Brooklyn New York from 2002 to 2013 for suspected terrorism Government agencies in these case studies attempted to understand how their religious beliefs might shape their actions in the public sphere It follows that government agents did not just observe these communities but they probed precisely what constituted religion itself alongside shifting legal and political definitions relative to their respective time periods Together these case studies form a new framework for discussions of the historical and contemporary monitoring of religion They show that government surveillance is less predictable and monolithic than we might assume Therefore this book will be of great interest to scholars of United States religion history and politics as well as surveillance and communication studies

[Quakerism, a Study Guide on the Religious Society of Friends](#) Leonard S. Kenworthy,1981 **University of California Union Catalog of Monographs Cataloged by the Nine Campuses from 1963 Through 1967: Subjects** University of California (System). Institute of Library Research,University of California, Berkeley,1972 *God-optional Religion in Twentieth-century America* Isaac Barnes May,2023 God Optional Religion in Twentieth Century America provides a historical account of the idea that being religious and believing in God might be separate concepts Isaac Barnes May focuses on the story of three groups liberal Quakers Unitarians and the forerunners of what would become Reconstructionist Judaism and how they attempted to preserve their faith in the modern world by redefining what it meant to be religious [The American Friend](#) ,1930 *Book Review Digest* ,1919 *Catalog of Copyright Entries. Third Series* Library of Congress. Copyright Office,1954 Includes Part 1A Number 1 Books January June and Part 1B Number 1 Pamphlets Serials and Contributions to Periodicals January June **The Shelf List of the Union Theological Seminary Library in New York City** Union Theological Seminary (New York, N.Y.). Library,1960 **The Christian Century** ,1930 **Beyond Charismatic Leadership** Michele Teresa Aronica,2017-09-08 Dorothy Day died recently in New York City With her death the Catholic

Worker Movement lost the last of its founders and leaders In this insightful and well documented study Aronica answers the question whether and how the Movement has survived beyond the founders Starting from the notion of charismatic leadership the author converts the Catholic Worker Movement into a test case for the classical analysis of social organization Through participant observation Aronica uncovers and explains the system of power and authority the process of incorporation and the services provided to the poor by the Catholic Worker Movement The Movement s paper the Catholic Worker was used to help provide a typology of membership categories The book is more than a study in the transformation of charismatic leadership it is also a study of the place of radical social thought within American Catholicism Aronica shows the problems that the church structure has with grass roots activities She also illustrates the difficulty that a grass roots organization has in transforming itself into a functioning bureaucracy The book adds a new organizational dimension to the growing number of books on social movements It is well suited for an audience interested in the sociology of religion and for those concerned with a fruitful application of modern ethnographic research to classical frameworks
