[How to Reconstruct a Nation](#) S. Ali McIntosh, 2019 Citizens of The Bahamas we have many questions to answer not only about economic growth and sustenance but about the moral and

social dilemma in which we find ourselves Our country is in a crisis entangled in a morass of immense crime violence and moral and spiritual decadence How much longer can we survive on this path How should nations spiraling out of control be governed What is our role as citizens in reconstructing our nation How to Reconstruct a Nation takes an in depth look at the political dynamics in The Bahamas Included are reform ideas in the context of democracy thoughts experiences and divine revelations This combination provides thought provoking and inspiring information on how to promote institutional integrity and the establishment of moral authority for national leadership All in our beloved country must face the reality before us No longer can we be engrossed in partisan politics and blindly follow the ill focused and ineffective agendas of political leaders Government is for the people and by the people Therefore we the people must make the call for constitutional reform integrity and righteous leadership to take our country forward How should the people respond to institutions of leadership What is the role of the church in influencing the governing process and public policy in our society Is there a case for higher ethics and morality in politics Legitimacy and moral authority The components of accountable governance *Crucify That Thing Before It Kills You* Barry Nehls,2020-11-11 Jesus clarified the requirements of every believer He simply said If any man will come after me let him deny himself take up his cross and follow me Matt 16 24 Sounds simple enough until you begin to break it down In today s affluent society most are not accustomed to denying themselves anything even if they don t have the means to pay for it Personal responsibility is at an all time low When tragedy strikes we look for someone or something to blame Certainly not my fault Jesus requires us to take up a cross Well that s easy enough gold silver or platinum But don t forget the cross is not jewelry to be worn on the contrary it is an instrument of death Our death Have an addiction that you are struggling with Perhaps you have concluded that God made you to live as a homosexual God s fault there And that alcohol or drug addiction well it s a disease Not my fault there either So open the pages and take a look Dare you The hard truth for all is that the Bible God s Word is a mirror You and I must see ourselves in light of His Scriptures as He sees us But read on The Bible contains all the power and tools you and I need to obey Jesus command So take up your cross and follow Him

Of these a vast number of young girls below the age of 19 have been privy to the heart wrenching circumstances leading to an unwanted pregnancy and its subsequent termination The author Pheobe Lee born the year America legalized abortion shares the tragic details leading up to her own personal experience with abortion at age fourteen And the pain and denial following her many years thereafter After providing an account of these tragic events she gives the reader an in your face look at the politics and finances revolving around abortion today Concluding many so called pro life proponents are just as guilty of perpetuating the great number of unnecessary abortions as their pro choice rivals Casualties of Indulgence not only defines the millions of innocent s lost to abortion as the casualties but also clearly shows how our behavior as a society victimizes our younger generation for the sake of our own indulgences An easy yet fulfilling read bound to create many questions among all sides of the debate
