Congress. Senate. Committee on Armed Services,1990 *The Long Shadow* David Reynolds,2013-11-07 In Britain we have lost touch with the Great War Our overriding sense now is of a meaningless futile bloodbath in the mud of Flanders of young men whose lives were cut off in their prime for no evident purpose But by reducing the conflict to personal tragedies however moving we have lost the big picture the history has been distilled into poetry In *The Long Shadow* critically acclaimed author David Reynolds seeks to redress the balance by exploring the true impact of 1914 18 on the 20th century Some of the Great War s legacies were negative and pernicious but others proved transformative in a positive sense Exploring big themes such as democracy and empire nationalism and capitalism and re examining the differing impacts of the War on Britain Ireland and the United States *The Long Shadow* throws light on the whole of the last century and demonstrates that 1914 18 is a conflict that Britain more than any other nation is still struggling to comprehend Stunningly broad in its historical perspective *The Long Shadow* is a magisterial and seismic re presentation of the Great War [paint me a dream](#) John Mc Guckin,2011-01-15 John Mc Guckin s work is anchored deep in the realities of life personal social political His opinions on each of these subjects are clearly sometimes even roughly expressed there is no subject that his pen considers taboo And yet you can sense there beneath all these worldly layers the dreamer In his ever present melancholic soft poetry *The Long Shadow* Bertha Muzzy Bower,2015-12-03 *The Long Shadow* from Bertha Muzzy Bower American author who wrote novels fictional short stories and screenplays 1871 1940 [The Long Shadow](#) Karl Alexander,Doris Entwisle,Linda Olson,2014-05-31 A volume in the American Sociological Association s Rose Series in Sociology West Baltimore stands out in the popular imagination as the quintessential inner city

gritty run down and marred by drugs and gang violence Indeed with the collapse of manufacturing jobs in the 1970s the area experienced a rapid onset of poverty and high unemployment with few public resources available to alleviate economic distress But in stark contrast to the image of a perpetual urban underclass depicted in television by shows like *The Wire* sociologists Karl Alexander Doris Entwisle and Linda Olson present a more nuanced portrait of Baltimore's inner city residents that employs important new research on the significance of early life opportunities available to low income populations *The Long Shadow* focuses on children who grew up in west Baltimore neighborhoods and others like them throughout the city tracing how their early lives in the inner city have affected their long term well being Although research for this book was conducted in Baltimore that city's struggles with deindustrialization white flight and concentrated poverty were characteristic of most East Coast and Midwest manufacturing cities The experience of Baltimore's children who came of age during this era is mirrored in the experiences of urban children across the nation For 25 years the authors of *The Long Shadow* tracked the life progress of a group of almost 800 predominantly low income Baltimore school children through the Beginning School Study Youth Panel BSSYP The study monitored the children's transitions to young adulthood with special attention to how opportunities available to them as early as first grade shaped their socioeconomic status as adults The authors fine grained analysis confirms that the children who lived in more cohesive neighborhoods had stronger families and attended better schools tended to maintain a higher economic status later in life As young adults they held higher income jobs and had achieved more personal milestones such as marriage than their lower status counterparts Differences in race and gender further stratified life opportunities for the Baltimore children As one of the first studies to closely examine the outcomes of inner city whites in addition to African Americans data from the BSSYP shows that by adulthood white men of lower status family background despite attaining less education on average were more likely to be employed than any other group in part due to family connections and long standing racial biases in Baltimore's industrial economy Gender imbalances were also evident the women who were more likely to be working in low wage service and clerical jobs earned less than men African American women were doubly disadvantaged insofar as they were less likely to be in a stable relationship than white women and therefore less likely to benefit from a second income Combining original interviews with Baltimore families teachers and other community members with the empirical data gathered from the authors groundbreaking research *The Long Shadow* unravels the complex connections between socioeconomic origins and socioeconomic destinations to reveal a startling and much needed examination of who succeeds and why

THE LONG SHADOW OF THE 19TH CENTURY

Farish A. Noor, Stamford Raffles James Brooke John Crawford and Anna Leonowens were some of those who came from Europe or the United States to Southeast Asia in the nineteenth century and then wrote about what they saw Their writings deserve to be read now for what they truly were Not objective accounts of a Southeast Asia frozen in imperial time but rather as culturally myopic and perspectivist works that betray the subject positions of the authors themselves Reading them would

allow us to write the history of the East West encounter through critical lenses that demonstrate the workings of power knowledge in the elaborate war economy of racialised colonial capitalism Many of the tropes used by these colonial era scholars and travellers such as the indolence or savagery of the native population are still very much in use today which means we still live in the long shadow of the 19th century Matahari Books *Virginia at War, 1865* William Davis, James I. Robertson, 2012-01-01 Kent Hollingsworth captures the flavor and atmosphere of the Sport of Kings in the dramatic account of the development of the Thoroughbred in Kentucky Ranging from frontier days when racing was conducted in open fields as horse to horse challenges between proud owners to the present when a potential Triple Crown champion may sell for millions of dollars The Kentucky Thoroughbred considers ten outstanding stallions that dominated the shape of racing in their time as representing the many eras of Kentucky Thoroughbred breeding No less colorful are his accounts of the owners breeders trainers and jockeys associated with these Thoroughbreds a group devoted to a sport filled with high adventure and great hazards First published in 1976 this popular Kentucky classic has been expanded and brought up to date in this new edition

The Long Shadow of Little Rock Daisy Bates, 2007-02-01 At an event honoring Daisy Bates as 1990 s Distinguished Citizen then governor Bill Clinton called her the most distinguished Arkansas citizen of all time Her classic account of the 1957 Little Rock School Crisis *The Long Shadow of Little Rock* couldn't be found on most bookstore shelves in 1962 and was banned throughout the South In 1988 after the University of Arkansas Press reprinted it it won an American Book Award On September 3 1957 Gov Orval Faubus called out the National Guard to surround all white Central High School and prevent the entry of nine black students challenging the Supreme Court's 1954 order to integrate all public schools On September 25 Daisy Bates an official of the NAACP in Arkansas led the nine children into the school with the help of federal troops sent by President Eisenhower the first time in eighty one years that a president had dispatched troops to the South to protect the constitutional rights of black Americans This new edition of Bates's own story about these historic events is being issued to coincide with the fiftieth anniversary of the Little Rock School crisis in 2007 *The Long Shadow* Lisle A. Rose, 1978 *The Long Shadow: The Legacies of the Great War in the Twentieth Century* David Reynolds, 2014-05-12 Winner of the 2014 PEN Hessell Tiltman Prize for the Best Work of History If you only read one book about the First World War in this anniversary year read *The Long Shadow* David Reynolds writes superbly and his analysis is compelling and original Anne Chisolm Chair of the PEN Hessell Tiltman Prize Committee and Chair of the Royal Society of Literature One of the most violent conflicts in the history of civilization World War I has been strangely forgotten in American culture It has become a ghostly war fought in a haze of memory often seen merely as a distant preamble to World War II In *The Long Shadow* critically acclaimed historian David Reynolds seeks to broaden our vision by assessing the impact of the Great War across the twentieth century He shows how events in that turbulent century particularly World War II the Cold War and the collapse of Communism shaped and reshaped attitudes to 1914-18 By exploring big themes such as democracy and empire nationalism and capitalism as well as

art and poetry The Long Shadow is stunningly broad in its historical perspective Reynolds throws light on the vast expanse of the last century and explains why 1914-18 is a conflict that America is still struggling to comprehend Forging connections between people places and ideas The Long Shadow ventures across the traditional subcultures of historical scholarship to offer a rich and layered examination not only of politics diplomacy and security but also of economics art and literature The result is a magisterial reinterpretation of the place of the Great War in modern history

The Long Shadow Mark Mills, 2013-07-18 From Mark Mills author of the award winning THE SAVAGE GARDEN comes THE LONG SHADOW a first class thriller in the vein of Robert Harris and William Boyd Blood brothers or sworn enemies You never forget what the fight was about THE LONG SHADOW is a stunning depiction of resentment and revenge Ben Makepeace has barely thought of Jacob since school What he remembers is a competitive manipulative boy impinging on his life Now Ben is the wrong side of forty with a young son to support and in need of a backer A call to meet hedge fund billionaire Victor Sheldon is promising but there s a surprise in store Victor is Jacob now firmly entrenched in a gilded world of riches and glamour History can cast a long shadow and while Ben believes his childhood is well over he soon discovers the roots of the past dig deep
