Anthony Trotta

The American Democratic System:

Reclaiming The American Democratic Impulse Thomas E. Vass ,2014-02-28 In his recent book *The Liberty Amendments* Mark Levin promotes the enactment of 10 amendments to the U S Constitution using the second method of amendment outlined in Article V of the Constitution of 1788 Levin offers no clues to how or why he thinks on the 1000th effort this path of amendment would be successful

Technology and American Democracy Anthony Trotta,2023-10-31 The growth and proliferation of technology in American society places new demands on the U S government and the health of its democracy affecting both policymaking and public administration *Technology and American Democracy* explores the underpinning democratic theories including constitutional justifications that guide decision makers during the application of Information Technology IT in governance to promote democratic principles such as transparency and accountability The book examines the capacity of IT to facilitate deliberative democracy alter modern bureaucratic structures and functions and affect areas of public policy including public budgeting and performance measurement Author Anthony Trotta demonstrates the ways in which technology creates new problems for contemporary government including a discussion of virtual currency and its possible issues that must be addressed by the public sector The discussion avoids highly technical language and confusing industry jargon focusing instead on explaining important concepts in an accessible fashion applicable to a broad spectrum of readers *Technology and American Democracy* is required reading for students enrolled in courses on politics public administration and public policy

The Future of American Democracy Glen Browder,2002 Former congressman Browder is worried that the current trends of American democracy might result in a Union of Socialist States of America or worse He suggests that we re suffering from a cumulative distemper in which we may be tiring of America s historic Great Experiment He offers vague prescriptions about embarking on a National Democratic Renaissance and rediscovering the essence of our American nation Annotation copyrighted by Book News Inc Portland OR

Analyzing American Democracy Jon R. Bond,Lydia M. Andrade,2023-08-31 Providing the tools for critical thinking the fifth edition of *Analyzing American Democracy* Politics and Political Science relies on statistical analysis constitutional scholarship and theoretical foundations to introduce the structure process and outcomes of the U S political system Interpretation and implications of the 2022 mid term elections and full results of the 2020 census are included as are discussions of the January 6th commission major developments in the Supreme Court the Covid 19 pandemic the Russian invasion of Ukraine and other key political events that shape domestic foreign judicial and economic policies For introductory courses in American government this text covers theory and methods as well New to the Fifth Edition New and updated statistical data reflecting the 2020 census and the 2022 midterm elections and discussions of the implications of the data and the results Offers a retrospective analysis of the entire Trump presidency and the first years of the Biden presidency Examines contemporary questions of social justice and anticipates upcoming challenges to voting rights affirmative action policies health care and reproductive rights and

protections for ethnic minorities and the LGBT community Previews the policy implications of an increasingly partisan Supreme Court recaps the controversial recent decisions on health care abortion and environmental policy and covers the historic confirmation of new justice Ketanji Brown Jackson **Democracy and the American Party System** Austin Ranney, Willmoore Kendall, 1956 Community Wealth Building and the Reconstruction of American Democracy Melody C. Barnes, Corey D.B. Walker, Thad M. Williamson, 2020-10-30 How can we create and sustain an America that never was but should be How can we build a robust multiracial democracy in which everyone is valued and everyone possesses political economic and social capital How can democracy become a meaningful way of life for all citizens By critically probing these questions the editors of *Community Wealth Building and the Reconstruction of American Democracy* seize the opportunity to bridge the gap between our democratic aspirations and our current reality *America's Democratic Republic* Edward S. Greenberg, Benjamin I. Page, 2007 Written in a lively narrative style and presenting a provocative point of view this book gets to the heart of Americans frustrations with our government Acknowledging that cynicism tends to make people withdraw from civic life this book examines why our government can seem so unsatisfactory identifying the heart of the American political system strong democratic aspirations among our citizens clashing with the republican constitutional foundations on which the country is based DEMOCRATIC ASPIRATIONS REPUBLICAN CONSTITUTIONAL FOUNDATIONS POLITICAL INSTITUTIONS A HELP OR HINDRANCE TO DEMOCRACY GOVERNMENT INSTITUTIONS WHAT GOVERNMENT DOES PUBLIC POLICIES Anyone interested in understanding our government and why Americans are cynical about government **American Democracy in Peril** William E. Hudson, 2016-01-28 In this Eighth Edition of *American Democracy in Peril* author William E Hudson provides a perceptive analysis of the challenges our democracy faces in the current era economic crisis partisan gridlock rising economic inequality and continued military conflict in the Middle East and elsewhere By introducing the history of democratic theory in terms of four models of democracy he provides readers with a set of criteria against which to evaluate the challenges discussed later This provocative book offers a structured yet critical examination of the American political system designed to stimulate students to consider how the facts they learn about American politics relate to democratic ideals **A Different Democracy** Steven L. Taylor, Matthew Soberg Shugart, Arend Lijphart, Bernard Grofman, 2014-01-01 Four distinguished scholars in political science analyze American democracy from a comparative point of view exploring how the U S political system differs from that of thirty other democracies and what those differences ultimately mean for democratic performance This essential text approaches the following institutions from a political engineering point of view constitutions electoral systems and political parties as well as legislative executive and judicial power The text looks at democracies from around the world over a two decade time frame The result is not only a fresh view of the much discussed theme of American exceptionalism but also an innovative approach to comparative politics that treats the United States as but one case among many An ideal textbook for both American and comparative politics courses **The**
