Something For Mom:

By Accident Susan Kelly, 2011-09-01 A grieving mother finds solace from her son's death in a relationship that quickly blurs the line between friendship and intimacy. *By Accident* portrays a year in the life of a woman after the accidental death of her teenage son. Laura Lucas is numbed by the loss, a loss that is paralleled in the state of upscale construction and attendant destruction in her starter home neighborhood. It's about Laura's relationship with a young tree surgeon who slowly becomes a replacement for her son but also an object of desire. The story reveals the delicate nexus where solace becomes sex, the role of men and women as unmarried friends, and examines grief in a marriage. It portrays the pain of change and the poignancy of acceptance through Laura's eyes and occasionally through the quirky outlook of her ten-year-old daughter. And before the story ends, another brutal random accident will redefine Laura's life once again.

Twisted Minds Henry Findlay, 2015-05-11 The dwelling of an individual's mind is a vast, complicated space where no one is all good or bad. Passions become secrets, and secrets become dangerous. When a university student, Jeremy McKneese, has an affair with his accomplished yet controversial professor, Allison Alcott, it becomes more than a simple love affair. After the professor is found murdered in her home, it is McKneese who takes the lead in the suspect pool. But the murder of the professor is more than the result of an affair and may have connections in the university police force and even involve the prime minister. It's up to McKneese and those who believe in his innocence to discover the truth behind the many layers surrounding the professor's death. Politics, lust, jealousy, and betrayal all intertwine in Henry J. Findlay's *Twisted Minds*. He hopes readers enjoy the overlapping relationships, mystery, and the importance of every detail in problem solving.

Elevator Pitch Linwood Barclay, 2019-09-17 INSTANT NATIONAL BESTSELLER The #1 bestselling Linwood Barclay returns with an edge-of-your-seat thriller that does for elevators what *Psycho* did for showers and *Jaws* did for the beach: a heart-pounding tale of terror and menace that will make you think twice the next time you hit Up. It all begins on a Monday when four people board an elevator in a Manhattan office tower. Each presses a button for their floor, but the elevator proceeds nonstop to the top. Once there, it pauses for a few seconds, but the doors don't open. Instead, the elevator begins to descend floor by floor. Then it plummets right to the bottom of the shaft. It appears to be a random accident. But on Tuesday, it happens again in a different Manhattan skyscraper. And then Wednesday brings yet another tragic high-rise catastrophe. In only three days, one of the most vertical cities in the world and the nation's capital of media, nance, and entertainment is plunged into chaos. Clearly, this is anything but random. This is a cold, calculated bid to terrorize the city. And it's succeeding. Fearing for their lives, thousands of men and women working in offices across the city refuse to leave their homes. Commerce has slowed to a trickle. Emergency calls to the top floors of apartment towers go unanswered. Who is behind this? Why are they doing it? Are these deadly acts of sabotage somehow connected to a ngerless body found on the High Line? Two seasoned New York detectives and a straight-shooting journalist race against time to uncover the truth before the city's

newest and tallest residential tower has its ribbon cutting on Friday night With each diabolical twist Linwood Barclay ratchets up the tension building to a shattering finale Elevator Pitch is a riveting tale of psychological suspense that is all too plausible and will chill you to the bone **Argosy All-story Weekly** ,1922 **Johnson National Drillers Journal** ,1929
