Something Is Growing:

The Crash Course Chris Martenson, 2011-03-29 The next twenty years will be completely unlike the last twenty years The world is in economic crisis and there are no easy fixes to our predicament Unsustainable trends in the economy energy and the environment have finally caught up with us and are converging on a very narrow window of time the Twenty Teens The Crash Course presents our predicament and illuminates the path ahead so you can face the coming disruptions and thrive without fearing the future or retreating into denial In this book you will find solid facts and grounded reasoning presented in a calm positive non partisan manner Our money system places impossible demands upon a finite world Exponentially rising levels of debt based on assumptions of future economic growth to fund repayment will shudder to a halt and then reverse Unfortunately our financial system does not operate in reverse The consequences of massive deleveraging will be severe Oil is essential for economic growth The reality of dwindling oil supplies is now internationally recognized yet virtually no developed nations have a Plan B The economic risks to individuals companies and countries are varied and enormous Best case living standards will drop steadily worldwide Worst case systemic financial crises will toss the world into jarring chaos This book is written for those who are motivated to learn about the root causes of our predicaments protect themselves and their families mitigate risks as much as possible and control what effects they can With challenge comes opportunity and The Crash Course offers a positive vision for how to reshape our lives to be more balanced resilient and sustainable

Relationship Within Ingrid Frances Smyer PH.D, 2013-09 Relationship Within offers practical advice on how to monitor and ease your stress around relationships It offers a strength based approach that builds on the multiple capacities resiliencies talents abilities and the inherent worth of individuals to create lasting relationships Psychology and relationship expert Ingrid Fran Smyer reveals the positive aspects of an inner relationship that encompasses an individual s whole life including mind body spirit and community Relationship Within explores how personality upbringing and life events lead to problematic relationship patterns The good news is that there is hope The recovery of relationships begins with an initial stage of awareness in which the person recognizes that change is possible Ingrid provides insight into how this dynamic influences family life career choices optimum health and longevity

The New Reproductive Order Sarah Franklin, Marcia C. Inhorn, 2025-04-22 The transformative impact of new reproductive technologies over the past half century Both fertility and infertility are commonly depicted as individual biological and choice dependent conditions that can be mediated by technology In contrast The New Reproductive Order documents the complex material historical and political forces that both enable and limit human reproductivity while also arguing that both fertility and infertility have become condensed symbols of wider changes to family forms national political agendas global economies and local environments Combining anthropological sociological and intersectional feminist research from across the globe this landmark volume reveals how changing perceptions of fertility and infertility are altering how people imagine pursue and experience

reproductivity both individually and collectively Using a comparative global methodology based on detailed case studies The New Reproductive Order persuasively argues that changing perceptions of fertility and infertility are giving rise to a distinctive reproductive politics based on new models of reproductive cause and effect This groundbreaking and sophisticated volume opens new horizons of scholarship on the relationship between fertility infertility reproductive technologies and social change as well as new thinking on policy practice and activism in the twenty first century s new reproductive order Annual Report Ontario.
