## Up With Profits:

**Powering Social Enterprise with Profit and Purpose** Scott Boyer, Jeremy Gudauskas, Mike Hamel, 2023-03-01 Trail blazing social entrepreneurs are tackling the world's most pressing problems that government, business, or charity have failed to solve. They are creating businesses with a primary mission of social change. Scott Boyer is one such social entrepreneur. This 28-year veteran of Big Pharma left a six-figure salary to start OWP Pharmaceuticals and the ROW Foundation. This commercial business and non-profit organization exist in a symbiotic relationship we call a tandem hybrid social enterprise. This model combines a multimillion-dollar business with a foundation that's on track to become the largest funder of projects serving people with epilepsy and associated psychiatric disorders in the world. The tandem hybrid incorporates the principles learned by Scott and others for building a truly unique social enterprise from the ground up: one that is driven by a compelling social mission, financed by commercial success, structured to retain control, scalable, and sustainable for the long haul. **Powering Social Enterprises With Profit And Purpose** offers a detailed blueprint that has proven commercially and philanthropically successful and that can be replicated in most business sectors.
