Homework Talk! Cheli Cerra,Ruth Jacoby,2006-10-12 Put an end to nightly homework battles Homework Talk provides parents with simple and practical advice

to help them deal with the many issues that can come up surrounding their children's homework. Are you concerned about making sure your child is doing all of his homework on time? Talking to a teacher who assigns too much homework? Understanding how much help to give your child? Motivating your child to handle homework issues on her own? Overcoming your child's resistance to doing particular types of homework? Don't wait to start working with your child and your child's teachers to make homework a simple and productive process for everyone. Praise for other books in Cheli Cerra and Ruth Jacoby's *School Talk* series: A must read for today's educational leader. The Journal of Country Music, 2001 **Independent Publisher**, 1998 *Snapshots* Eliot Parker, 2020-02-04. Each story within *Snapshots* places the characters in situations where their past behaviors will be changed in a moment that is like a snapshot picture freezing in time who they are in a moment but facing new challenges that will alter that snapshot and create a new reality. Eudora Welty's quote: "A good snapshot keeps a moment from going away." is a theme that permeates all of the stories in Eliot Parker's collection of short stories *Snapshots*. These stories are set in West Virginia, Ohio, and Kentucky. In the plots of the stories, the makeup of the characters is more interesting and important than the circumstances that the characters find themselves trying to manage. Each protagonist finds themselves in a complicated set of personal and professional relationships. By their nature, relationships are complicated. The protagonists in these stories are shaped by their backgrounds, life experiences, and expectations of other people. Conflicts arise for these protagonists when decisions and choices made by others alter the expectations and circumstances expected by the protagonists. In each of these stories, the lives, values, and beliefs held by the characters are deconstructed, and each of them face a new reality brought on by an experience or situation that forces them to reexamine who they are and who they need to become. Each of these characters occupies a variety of professional spaces: cops, a rich, successful couple, convicted criminals, and others grieving the loss of a loved one and grieving the absence of love.
