## **Snuff Fiction:**

**Snuff Fiction** Robert Rankin, 2009-11-02 We read him for his exuberant salmagundi of old jokes myths urban and otherwise catchphrases liberatingly crazy ideas running gags recurring characters and locations unreliable autobiographical anecdotes and not forgetting the now legendary load of old toot He becomes funnier the more you read him Mat Coward Independent on The Dance of the Voodoo Handbag Society's plug is about to be pulled big time At the stroke of midnight on 31 December 1999 computer systems all over the world will crash and plunge us into chaos But so what if it's the downfall of civilization These things happen We'll just have to take it on the chin Or at least up the nose Because rejoice and give thanks snuff is making a comeback And who do we thank for this Who is the man who brings joy to the nostrils of the nation The tender blender with the blinder grinder The master blaster with the louder powder The geezer with the sneezer that's a real crowd pleaser Mr Doveston that's who and this is his story So forget about impending doom and enter the glamorous world of snuff snorting Oh and don't forget to bring a hanky Things could get a little messy later Robert Rankin's novel gleefully chronicles the collapse of civilisation as the world slides into chaos with a smile on its face and a finger up its nose Prophetic vision of an imminent dystopia Or just the rabid ranting of a snuff crazed technophobe

**Found Footage Horror Films** Alexandra Heller-Nicholas, 2014-05-08 As the horror subgenre du jour found footage horror's amateur filmmaking look has made it available to a range of budgets Surviving by adapting to technological and cultural shifts and popular trends found footage horror is a successful and surprisingly complex experiment in blurring the lines between quotidian reality and horror's dark and tantalizing fantasies Found Footage Horror Films explores the subgenre's stylistic historical and thematic development It examines the diverse prehistory beyond Man Bites Dog 1992 and Cannibal Holocaust 1980 paying attention to the safety films of the 1960s the snuff fictions of the 1970s and to television reality horror hoaxes and mockumentaries during the 1980s and 1990s in particular It underscores the importance of The Blair Witch Project 1999 and Paranormal Activity 2007 and considers YouTube's popular rise in sparking the subgenre's recent renaissance

**Monstrous Beings and Media Cultures** Jessica Balanzategui, Allison Craven, 2025-10-01 Monstrous Beings and Media Cultures examines the monsters and sinister creatures that spawn from folk horror Gothic fiction and from various sectors of media cultures The collection illuminates how folk monsters form across different art and media traditions and interrogates the 21C revitalization of folk as both a cultural formation and aesthetic mode The essays explore how combinations of vernacular and institutional creative processes shape the folkloric and or folkloresque attributes of monstrous beings their popularity and the contexts in which they are received While it focuses on 21C permutations of folk monstrosity the collection is transhistorical in approach featuring chapters that focus on contemporary folk monsters historical

antecedents and the pre 21st art and media traditions that shaped enduring monstrous beings The collection also illuminates how folk monsters and folk horror travel across cultures media and time periods and how iconic monsters are tethered to yet repeatedly become unanchored from material and regional contexts
