You're Getting Married Soon... Now What? Eeva Lancaster, *The Book Khaleesi*, Wouldn't it be great if you could talk to your partner about anything If you could discuss your plans and share your dreams openly like friends If you could look inside their thoughts and know where they stand on the hard issues If you could ask them the questions in this book *You're Getting Married Soon Now What* is a recommended read for all couples who are planning to take their relationships to the next level Many couples forget to talk about the situations they will encounter leaving them unprepared and unaware of how their partners may react Many have unrealistic expectations which are not based on reality and that results to disappointment and frustrations Feelings which lead to contempt until one day you realize that the love you once felt is gone This book will not give you answers It will get you started on the questions Help you better understand the person you'll be sharing life with Who they are now and what you can expect from them when you're hit by life's challenges Knowing where your partner stands can give you the assurance you need to face your future with more confidence You'll know what to expect and what's expected of you No wishful thinking No baseless hopes and dreams Just love and the comfort in knowing exactly who's walking life with you Get a copy Start the conversation
