*British Television* Tise Vahimagi,1996 Reference book Co pub w British Film Institute

**Religion and Doctor Who** Andrew Crome,James F. McGrath,2013-11-14 Doctor Who has always

contained a rich current of religious themes and ideas In its very first episode it asked how humans rationalize the seemingly supernatural as two snooping schoolteachers refused to accept that the TARDIS was real More recently it has toyed with the mystery of Doctor s real name perhaps an echo of ancient religions and rituals in which knowledge of the secret name of a god angel or demon was thought to grant a mortal power over the entity But why does Doctor Who intersect with religion so often and what do such instances tell us about the society that produces the show and the viewers who engage with it The writers of Religion and Doctor Who Time and Relative Dimensions in Faith attempt to answer these questions through an in depth analysis of the various treatments of religion throughout every era of the show s history While the majority of chapters focus on the television show Doctor Who the authors also look at audios novels and the response of fandom Their analyses all written in an accessible but academically thorough style reveal that examining religion in a long running series such as Doctor Who can contribute to a number of key debates within faith communities and religious history Most importantly it provides another way of looking at why Doctor Who continues to inspire to engage and to excite generations of passionate fans whatever their position on faith The contributors are drawn from the UK the USA and Australia and their approaches are similarly diverse Chapters have been written by film scholars and sociologists theologians and historians rhetoricians philosophers and anthropologists Some write from the perspective of a particular faith or belief others write from the perspective of no religious belief All however demonstrate a solid knowledge of and affection for the brilliance of Doctor Who

The Royal Television Society Journal ,1987 *Never Had It So Good* Dominic Sandbrook,2015-02-05 A rich treasure chest of a book ANTHONY HOWARD Sunday Telegraph A spectacular history of the sixties NICK COHEN Observer Sandbrook s book is a pleasure to read he is a master of the human touch RICHARD DAVENPORT HINES TLS Rivetingly readable GODFREY SMITH Sunday Times From the bloodshed of the Suez Crisis to the giddy heyday of Beatlemania from the first night of Look Back in Anger to the sensational revelations of the Profumo scandal British life during the late 1950s and early 1960s seemed more colourful exciting and controversial than ever Using a vast array of sources Dominic Sandbrook tells the story of a society caught between cultural nostalgia and economic optimism He brings to life the post war experience for a new generation of readers in a critically acclaimed debut that will change for ever how we think about the sixties *BFI Film and Television Yearbook* ,1986 **Dictionary of Pseudonyms** Adrian Room,2014-01-10 Substantially revised and enlarged this new edition of the Dictionary of Pseudonyms includes more than 2 000 new entries bringing the volume s total to approximately 13 000 assumed names nicknames stage names and aliases The introduction has been entirely rewritten and many previous entries feature new accompanying details or quoted material This volume also features a significantly greater number of cross references than was included in previous editions Arranged by pseudonym the entries give the true name vital dates country of origin or settlement and profession Many entries also include the story behind the person s name change **California. Court of Appeal (1st Appellate District). Records and Briefs** California (State),
