Telling Liddy:

Telling Liddy Anne Fine,1998 The Palmer sisters are close They see each other often for shopping trips and casual suppers They care for one another s children and houses and pets through holidays and emergencies They lend each other books and spare heaters and clothes for special occasions Their phones ring in a ceaseless round of chat about in laws and job plans and anxieties and triumphs They all agree that loyalty to one another always outweighs loyalty to boyfriends and lovers and husbands And there are never any secrets Not until now Stella tells Bridie a rumour she s heard about Liddy s new boyfriend and in no time at all the sisters relationships begin to unravel Should Liddy be told Bridie is certain and persuades her sisters to join her in this decision But when Liddy reacts badly the other two backslide and Bridie becomes the outcast bereft of the support system upon which she has based her whole life and all her values With surgical precision and a wry intelligence Anne Fine exposes the claustrophobic and potentially duplicitous nature of close family relationships Secrets beget secrets after all and the final revelations are more than anyone has bargained for Telling Liddy Anne Fine,2000 The Palmer sisters are close They all agree that loyalty to one another always outweighs loyalty to boyfriends and lovers and husbands And there are never any secrets until now Stella tells Bridie a rumour she s heard about Liddy s new boyfriend and in no time at all the sister s relationship begins to unravel Secrets beget secrets after all and the final revelations are more than anyone has bargained for *Statement of Information* United States.
