The Cosmic Connection Kari Razo,2006-05 Imagine that Mother Nature methodically designed a world in such a way that she linked all of her creation in a way that if you allowed yourself to become open to your intuition then the world and everything in it would have meaning and purpose The Cosmic Connection encourages you to leave the outside world and reawaken the world that lies within In doing this you learn to look for signs that occur by a twist of fate and or a coincidence This book is not meant to offend anyone instead its soul purpose is to remind you who you are and what it is you need to live your life with a sense of meaning and purpose Whatever it is that you want out of life is your personal preference In order to get what you want and or need you have to take action and implement the steps that will get you in a position to obtain what it is you desire Remember what you need does not include anyone else Finding what you need will allow everything else to cosmically fall into place
