Virgin Soldiers:

Onward Virgin Soldiers Leslie Thomas,2010-12-07 Bursting with life and bawdy humour National Serviceman Brigg is now a Regular Army sergeant defending the Empire in the beds and bars of Hong Kong Peace time diversions include sensual fireworks with a pair of delicious Chinese twins and a tender erotic affair with the lonely wife of an American serviceman

The Virgin Soldiers Leslie Thomas,2010-12-07 It rained a lot and steamed when the sun shone It was always hot But it was safe One way or another the Communist guerrilla war in Malaya kept a whole British army occupied from 1948 until 1952 They were the virgin soldiers Idle homesick afraid bored oversexed and unsatisfied A young virgin like Brigg had to grab his fun while and where he could in the Liberty Club in Juicy Lucy s flat or up in Phillipa s room in one frantic attempt at living before he died or got demobbed

The Malayan Emergency in Film, Literature and Art Jonathan Driskell, Marek W. Rutkowski, Andrew Hock Soon Ng,2025-01-09 Examining film literature and art produced during and after the Malayan Emergency the guerrilla war fought between the Malayan National Liberation Army and the military forces of the British Commonwealth this collection demonstrates how art functions as a record of cultural memory that both reinforces and challenges official histories Beyond that it also brings new understandings of the Malayan Emergency itself and Malaysia s subsequent development as a postcolonial nation The first section of the book focuses on films and writings produced during the period of the Emergency to capture the socio political circumstances of the time and understand its effect on the people The second section goes on to explore representations of the Emergency generated after the event highlighting how it was reimagined or reevaluated by later artists and what ideological ends they served Offering a comparative methodological approach it investigates works that account for a range of perspectives including British Communist and Malayan Malaysian Bringing together the personal and political within individual and collective histories this collection offers a new understanding of how the Emergency contributed to the formation of postcolonial Malaysia and demonstrates the central role that film literature and art play in the creation of cultural memory
