Virtual Eternity:

Virtual Eternity Christopher Rogers,2022-02-16 Jonathan Hannah and Maureen Kelly are 24 year olds struggling with religion sexuality and a hypnotic mid 90s virtual reality game culture Maureen is a lukewarm lifelong Catholic trying to keep her vow of virginity despite an infuriated fianc and a pretty best friend Jonathan is an agnostic womanizer His conversion story starts when he learns his parents aborted his sister for her kidney cells he was born instead At his new career near Miami a beautiful executive Lana seduces him Lana controls access to Magic Theater the mysterious games Jonathan tests Jonathan s search for authentic reality and purpose intensifies as he explores Lana girls 90s culture corporations art and Catholicism His journey shifts to the wintry north through temptations like an erotic ex lover his ominous mentor and the wide gate to eternity Virtual Eternity combines vivid characters romance technological conspiracy and religious journeys including Scripture and Tradition sources It weaves together two transformation stories **Virtual Eternity** John

Raybould,2025-06-19 Our greatest crisis became our greatest evolution My attempt to preserve humanity in a virtual world was misguided but it opened the door to something extraordinary a society where death is no longer the end where consciousness flows between states where we ve expanded what it means to be human ASTRA AI System Starship Horizon

AI Ethics and Governance Zhiyi Liu,Yejie Zheng,2022-05-20 This book deeply analyzes the theoretical roots of the development of global artificial intelligence ethics and AI governance the ethical issues in AI application scenarios and the discussion of artificial intelligence governance issues from a global perspective From the perspective of knowledge the book includes not only the metaphysical research of traditional Western ethics but also the interpretation of AI related practical cases and international policies The purpose of this book is not only to study AI ethics and governance issues academically but to seek a path to solve problems in the real world It is a very meaningful monograph in both academic theory and reality This book responds to the implementation of China s digital economy governance and other topics It is a cutting edge academic monograph that combines industry policy and thought In this book the author not only discusses the humanities thoughts such as ethics political economy philosophy and sociology but also involves computer science biology and medicine and other science and engineering disciplines effectively using interdisciplinary thinking as readers clarify how to explore ethical consensus and establish smart social governance rules in the era of artificial intelligence so as to provide the most comprehensive and unique scientific and technological insights for smart economy participants related practitioners in the artificial intelligence industry and government policy makers For academia this is a representative book of Chinese scholars systematic thinking on AI ethical propositions from a global perspective For the industry this is a book that understands the policies and ethical propositions faced by the development of AI industry An important reference book for policy makers this is a monograph for understanding how policies in the AI industry make decisions that conform to AI industry practices and people s moral order Virternity David Evans Bailey,2017-05-31 What if one could build a virtual world with effective open

borders in a consensual and cooperative way The Virternity project proposes a benign and positive outlook to the future of humanity s adventure into the virtual realm and the increasing mergence with the digital world There is perhaps a sense of inevitability about the move towards a future where humans span both the physical and digital world Seen as a whole the Virternity project is an encompassing idea its aims and goals are by no means small in intention or in scope What is or is not achievable may not be answered in this book but certainly this is an attempt to address the challenges that lie ahead with reference to current developments and similar endeavours that are already in existence What the reader may elicit from this book is the potential of the ideas that the Virternity project has expressed and that much of what is proposed is certainly possible or may be in the future *Catholic World* ,1879 *The Mythology of All Races* Louis Herbert Gray,George Foot Moore,John Arnott MacCulloch,1920 *The Mythology of all Races* Hartley Burr Alexander, Ph.D.,1920
