Sarah's Choice
Rebecca St. James, Nancy Rue, 2014-06-03 In Sarah Collins's mind only one thing stands in the way of her success an unborn baby Sarah is about to receive a promotion that will give her everything she's ever wanted a huge pay increase a new car a fabulous apartment and first class travel But then she discovers she's pregnant And while she thinks she loves her boyfriend Matt she isn't sure he's mature enough to be a responsible father And the job she's pursuing is open only because the previous employee is out on maternity leave Sarah would never be able to handle the travel as a single mom Torn between advice from her coworkers the insistence of her mother and sister that she keep the baby her insecurity about her relationship with Matt and the void where her father should be Sarah has no idea how to make this decision A Christmas card from a mysterious old woman is the catalyst for three visions of her future and just may be the miracle she needs But can she

trust the visions Are they the yearnings of a conflicted heart Or are they true visions from the God she thought had turned His back on her For every woman who has made painful decisions Sarah s Choice offers comfort wisdom and hope This story provides a bit of encouragement and hope to those facing a difficult decision Romantic Times 4 star review A thought provoking and stirring story of painful choices and their ramifications For any woman who has had to make a difficult decision this book will provide inspiration hope and solace to battered souls L library Journal Written with deep compassion gentle humor and incredible insight CBA Retailers Resources [Sarah Osborn's World](#) Catherine A.
