Snake Pit The:

The Snake Pit Book Ben Snakepit, 2013-12-17 Ben Snakepit draws his life everyday in 3 comic panels This was his first book collecting quite a few various zines After describing dozens of various Snakepit titles I m going to defer to the wisdom of Jimmi Payne s Punk Zine Taken individually each strip resembles what a friend would say if you asked what they had done that day Ben sifts through the minutiae of life as well as the full experience of time in a day This is different than James Kochalka s work as there is no pretense at narrative or point The narratives in Snakepit open up on the macro level If Snakepit is to be read on the toilet a mere bowel movement is enough time to live months through the protagonist s eyes Patterns emerge and story arcs materialize and years of common actions load into a highly concentrated snapshot that wakes you up to the ongoing machinations of life beyond your present day This has led many to label Snakepit an existential text Introduction about doing cocaine by Aaron Cometbus

Torn 3: Surviving the Human Snake Pit Ella Johnson, 2017-07-17 Torn 3 Surviving the Human Snake Pit is a continuation of the passion and pain that exists in the life of Melissa MeMe Thomas Williams Torn 2 ended with a nail biter after Melissa received a message on her phone that will change everything and in this book youll finally see what was actually on that text message that tests Melissas faith in God all the more Now that shes divorced and living the single life again she finds nothing wrong with igniting old flames but is there enough heat between her and an ex lover to keep the flame burning or will she get too close and end up getting burned Its no secret that in times of trouble we tend to run to the church for spiritual restoration But is it enough to keep a troubled Melissa on the straight and narrow path or will she meet someone whose troubled past sends them both to a point of no return New to the Miami scene and fresh out of Louisiana Bradford James arrives into town but what is he running from Torn 3 Surviving the Human Snake Pit is based on true events that will leave you speechless in tears and cheering for Melissas survival from the human snakes that are lurking at every corner of her life Will there be a rainbow at the end of this storm Or better yet who will be at the end of the storm After reading this book you will be so inspired that youll begin to jump off the cliffs in your own life without worrying if the parachute opens or not
