## Strange Cults:

**Strange Cults and Secret Societies of Modern London** Elliott O'Donnell,1935      **Sects, Cults, and Spiritual Communities** Marc Petrowsky,William W. Zellner,1998-06-30 American society is culturally diverse with a variety of religious denominations sects cults and self help groups vying for members This volume analyzes nine of these groups chosen both for their intrinsic interest and because they illustrate a variety of sociological concepts The groups included in this study are Heaven s Gate Jesus People USA the Love Family The Farm Amish Women Scientology El Ni o Fidencio Santera and Freedom Park The contributors are social scientists with first hand knowledge of the groups they examine      **The Cult** C.R. Jacobs,2015-05-15 Years ago I decided to try my hand at writing which resulted in a plethora of novels Incomprehensible to the likes of all beginning novelists This body of work shows that even a person with no formal education nor the intro to the trade can accomplish the achievement of having a book published I hope that you will see the basis of my writing comes from the knowledge of life and not from mass media I had no idea the gift was in my hands but here we are the finished work of a high school graduatewith one class in creative writing that produced 13 novels which I hope to have all published one day Please follow the incredible journey to its finish to show that the hopes and dreams of an inspired writer can come true

**Modern Religious Cults and Movements** Gaius Glenn Atkins,1923      **True Sex** Emily Skidmore,2021-02-09 A fascinating humanizing look into the lives of trans men at the turn of the 20th century Library Journal In 1883 Frank Dubois gained national attention for his life in Waupun Wisconsin There he was known as a hard working man married to a young woman named Gertrude Fuller What drew national attention to his seemingly unremarkable life was that he was revealed to be anatomically female Dubois fit so well within the small community that the townspeople only discovered his true sex when his former husband and their two children arrived in the town searching in desperation for their departed wife and mother In **True Sex** Emily Skidmore uncovers the stories of eighteen trans men who lived in the United States between 1876 and 1936 Their stories are surprising and moving challenging much of what we think we know about queer history By tracing the narratives surrounding the moments of discovery in these communities this book challenges the assumption that the full story of modern American sexuality is told by cosmopolitan radicals Rather **True Sex** reveals complex narratives concerning rural geography and community persecution and tolerance and how these factors intersect with the history of race identity and sexuality in America Skidmore provides well drawn and sympathetic profiles of the compelling trans men considered offers a critical assessment of the press of the day and how it helped foster a new morality and engages in an ongoing critique of LGBT scholarship New York Journal of Books This brilliantly written and meticulously researched book should be part of all university gender curriculums The Washington Book Review      **Woman in the Ancient Hebrew Cult** Ismar J. Peritz,1898      **Unholy Sensations** Joshua Paddison,2025 The true story of the first California cult scandal In 1891 a suffragist and social reformer named Alzire Chevallier launched a moral crusade to destroy Fountaingrove a utopian

spiritualist community in northern California Chevallier accused the colony's leader the poet and prophet Thomas Lake Harris of perverting the teachings of the Bible to promote a new sexology that was worse than Mormonism She insisted that Harris used magical powers of hypnosis to take sexual and financial advantage of his followers turning them into a spiritual harem that practiced free love and other gross immoralities Media reports emphasized the presence of Japanese immigrant men at Fountaingrove raising racialized specters of miscegenation and moral contamination The international scandal full of the sorts of salacious details prized by newspaper editors at the dawn of the era of yellow journalism would last more than a decade establishing Harris as the prototype for a new type of public menace the California cult leader Unholy Sensations takes a close up look at the Fountaingrove scandal to examine religion gender sexuality and race in the Gilded Age from a fresh perspective By chronicling the life stories of the people swept up in the scandal Unholy Sensations reveals connections and tensions between a wide variety of nineteenth century religious and social groups including suffragists and spiritualists Christian Scientists and Theosophists journalists and politicians and Protestant ministers and urban reformers Together these disparate groups helped spark California's first cult scare demonizing Harris as the first but far from the last dangerous California cult leader By showing that the term cult has always been a marker of race sexuality and religion Unholy Sensations reveals the limits of American freedom and the centrality of religion to the policing of whiteness family and nation

**The UFO Cults** Weldon Burge,1979     The Cults of the Greek States Lewis Richard Farnell,1909     **Cults** Daniel Cohen,1994 An accurate and rational discussion of cults including the subjects of satanism witches mind control and attempts at deprogramming     **Some Nigerian Fertility Cults** Percy Amaury Talbot,1927     *Blood, Bones and Spirit* Heather McDonald,2012-11-27 In this fascinating and beautifully written book Heather McDonald examines Aboriginal people's experiences of colonialism and post colonialism in the nineteenth and twentieth centuries Blood Bones and Spirit analyses how Aboriginal people have appropriated Biblical stories of land inheritance expansion and loss in order to make sense of their own dispossession It investigates the embodiment of Christianity by Aboriginal people through their appropriation of Christ's body his blood bones and spirit in order to replenish and heal their own colonised bodies Indeed this local study of Christianisation in a small East Kimberley town presents a challenge to the very history and philosophy of Western religion Heather McDonald spreads out before the reader various aspects of Aboriginal Christianity the way Aborigines have assimilated Christian stories to make sense of their history and their relationships with the dominant society their understanding of what it means to be Christian their church activities and their conflicting interpretations of the Christian way of life Aboriginal Christians are repossessing the land and reclaiming a traditional earth bound world immanent spirituality These Aboriginal understandings of colonisation including missionisation and Aboriginal ways of interpreting and understanding Christianity offer a unique contribution to the reconciliation process
