**Tell Me Something I Don't Know: Dialogues in Epistemology** Michael Veber, 2018-02-28 Tell Me Something I Don't Know is a collection of original dialogues in epistemology suitable for student readers but also of interest to experts. Familiar problems, theories, and arguments are explored. Second-order knowledge, epistemic closure, the preface paradox, skepticism, pragmatic encroachment, the Gettier problem, and more. New ideas on each of these issues are also offered, defended, and critiqued, often in humorous and entertaining ways.

**Tell Me Something True** Katherine Owen, 2015-10-21 The star ballerina finally marries the major league baseball player, and the truth about Linc and Tally, his being her air and she being his water, becomes clear when these two finally realize that their love is all that matters. But that was the first day. The day they said I do. The day the demons seemed to leave them alone, at least for a little while. Nonetheless, there were other days when all the lies of the past and their ways of coping with their fears caught up to them. And this is that story. If you believe in fairy tales and happy endings, and you want to stop right here and bask in the wonderment and joy of it all, please do. If you want to know the rest of our story, you need to take a deep breath and tell yourself that everything will be okay, that everything works out, and life happens, and in the end, love is all you need. Someone has to tell you these things, just like someone had to tell me. All I know is that the truth never dies, and it does set you free, whether you want it to or not. And in the end, all you have is love. Love is all there is.

Talia Landon Presley, Author's note: Tell Me Something True CANNOT be read as a standalone novel. There are two books in the Truth In Lies Series before this one: Those books are This Much Is True Book 1 and The Truth About Air Water Book 2. READ those two novels first, and then read this one. Truth In Lies Series Reading Order: This Much Is True, The Truth About Air Water, Tell Me Something True.
