The Elfin Ship:

The Elfin Ship James P. Blaylock, 2012-06-21 A trilogy sets sail with a novel that's charming, light-hearted and funny. Feels a little like *The Hobbit* or *The Wind in the Willows*. Fantasy Literature. James P. Blaylock's debut novel *The Elfin Ship* has become a classic of whimsical fantasy. With echoes of Kenneth Grahame and Mark Twain, it's a gentle, eccentric and hilarious novel that will delight readers of all ages. Trading with the elves used to be so simple. Every year Master Cheeser Jonathan Bing would send his very best cheeses downriver to traders who would eventually return with Elfin wonders for the people of Twombly Town. But no more. First the trading post at Willowood Station was mysteriously destroyed. Then a magical elfin airship began making forays overhead. Something was definitely amiss. So Jonathan set off downriver to deliver the cheeses himself, accompanied by the amazing Professor Wurzle, the irrepressible Dooly and his faithful dog Ahab. It would have been such a pleasant trip if not for the weeping skeleton, mad goblins, magic coins, an evil dwarf, a cloak of invisibility and a watch that stopped time. If only the return trip were so simple. Madcap's not a word heard much these days, but it's a great one to apply to the characters and their adventures in *The Elfin Ship*. From start to finish, Blaylock maintains a high level of inventive goofiness that never lets up. If you want about as great a break as possible from the brutalities and cynicism of much of today's fantasy, this book is it. **Black Gate**

The Elf Revelation - Book Nine of the Magi Charter Jordan David, It's been a long journey for the galaxy. A galaxy descending into war. Everything is unraveling. The Elves and their Santa have failed so many. Repercussions are inevitable. A great transition is coming to pass and with it the Mission will conclude. Santa Tiberius is faced with the reality of his poor decisions. His authority with the Elves hangs by a thread. It is not enough to admit he is the Last Santa, he must embrace it. Hard choices must be made. Never one to back down from a fight, Tiberius must step down and let others take over. The Elves struggle to unite in a vision fulfilling the Charter. Dedicated as they are, each Discipline, each faction has its own goals and methods. Every individual yearns to contribute, yet thousands of voices speaking at once are chaos. The era of Santa Claus is ending. The age of Elves is uncertain. A crossroads of choices looms ahead. Crystals, Runes and Touchstones. The universe teems with the unknown, with secrets. Neither the Elves nor the Santas were the only beings charged with upholding the mantle of the Child's dream. Others work in their own mysterious ways towards the great Peace. Long ago the Nix beings of living snow took a vow to protect the Dedicated. They longed to share their unique gifts, yet held back their most wondrous creations. The long-awaited revelation is nearly here, though not all will be worthy of their last gift. For the Dedicated, deliver stardust dreams to the children of the heavens. Forever are the Elves a Santa's time, fleeting. From the top of the world to the heart of the stars. To the dreamers, go the Child's epiphany. The Omega becomes an Alpha. Secrets wrapped in choices. Infinite paths to the Peace. All chasing the promise of a world without end. About the Magi Charter series. For over two thousand years, the legend of Santa Claus has endured. His is a Mission of peace, as outlined in the Magi Charter given to the first Santa by the Child. From humble beginnings following that First Christmas, the Santa lineage has been

passed down through the ages This epic adventure tells the story of those Santas from the founding of the North Pole and the origin of the ancient elves to our modern times where the world s problems affect even those in the secluded complex of the North and concluding in the distant future which finds Santa and the elves committed to their mission on a galactic scale where Christmas traditions are barely recognizable In every era those committed to the Mission must find a way to deliver that which is needed most to those most deserving
