The Enemy Has A Face:

The Enemy Has a Face Gloria D. Miklowitz,2003 Netta and her family have relocated temporarily from Israel to Los Angeles and when her seventeen year old brother mysteriously disappears she becomes convinced that he has been abducted by Palestinian terrorists

The Human Face of War Jim Storr,2011-10-27 Warfare is hugely important The fates of nations and even continents often rests on the outcome of war and thus on how its practitioners consider war The Human Face of War is a new exploration of military thought It starts with the observation that much military thought is poorly developed often incoherent and riddled with paradox The author contends that what is missing from British and American writing on warfare is any underpinning mental approach or philosophy Why are some tank commanders snipers fighter pilots or submarine commanders far more effective than others Why are many generals sacked at the outbreak of war The Human Face of War examines such phenomena and seeks to explain them The author argues that military thought should be based on an approach which reflects the nature of combat Combat fighting is primarily a human phenomenon dominated by human behaviour The book explores some of those human issues and their practical consequences The Human Face of War calls for and suggests a new way of considering war and warfare

The Face of Deception Brother Thomas Boston, A Scribe of Our Lord Jesus Christ,God Our Father,2022-05-13 As a first time writer I found it difficult to put into words what I believed was the Lord knocking on the door of a receptive believer servant and witness The inspiration for this book came when I prayed to the Lord He answered and the Holy Spirit did what only the Holy Spirit can and will do Unlike most people I was abandoned as a child and never did well in school However at a young age I found the Lord or should I say he found me I questioned what could he have done to be nailed to a cross and to manifest into flesh from the Spirit through sheer pure will purpose and authority Every day we encounter deception of the enemy or Satan In this writing I hope to show the lost that Reject Deny and Dismiss the signs of the times Think of the Bible Basic instructions before leaving earth It is here I present the issues of God in a way that is reasonable enough for anyone to conclude that there is more than anyone can or ever will believe Think of Proverbs 23 7 Matthew 6 33 and Luke 18 17 A noteworthy pastor with experience and at least a doctorate degree in divinity is usually the only one who can write at this level However I disagree and say they won t reference Romans 2 11 The events we are currently witnessing and experiencing are clearly the wrath of God I believe that nothing short of an open collective prayer initiative is the only thing that may save our nation For those of us who still believe we are of the people by the people and for the people yet no one ever looked at the title when the US was referred to as the great Satan It is because of the acronym USA which stands for Under Satan s Authority Now the secret is out so we obey God and live in peace When you see these things you know that they are a sign that the end of time is at hand
