## **The Enemy Inside Your Mind:**

The Enemy Inside Your Mind Paul S. Morton, 2005 One of the saddest tragedies in life is a heart left barren the child within us ignored punished and tormented as we search continually desperately yet unsuccessfully for fulfillment Nothing hurts like rejection No pain equals the gut wrenching agony of discovering that the well you've always relied on for the fresh waters of love and affirmation is simply empty In many cases the years pass and now you are as empty as the well you relied on and the pain of your emptiness is being passed onto yet another generation You have spent years entertaining performing begging playing out the dramas of life all for the attention the love and the affirmation needed to fill the hole in your heart Join Mark Leonard on an insightful journey based in part on his own life experience into the emotional desert of empty wells through a season of self discovery and into the fertile well watered valley of wholeness and freedom

**Voices in the Wilderness** John L. Thomas, 2018-01-30 FINALLY a scholarly description of the development of Black preaching in the United States that is accessible to the average reader but also contributes to the academic conversation about both style and theological content Written from the perspective of a seasoned practitioner and tenured practical theologian Thomas surveys Black preaching as it has responded to various social and historical time periods Starting with the brutality of chattel slavery early formations in segregated Southern life rapid migration to and urbanization in Northern cities and various events throughout the post civil rights era the book gives convincing details and examples of how the Black preacher helped to guide and sustain the masses of African American people through the wilderness of social change At the heart of the book three prime examples are presented as models of the real genius of Black preaching The reader will never again think about Reverend Martin Luther King Jr Malcolm X and the Reverend Jesse Jackson in the same way A special chapter is devoted to the contributions of Black women preachers along with a closing chapter that makes new proposals for the future The book is a provocative and critical analysis of why Black preaching still matters

**Preaching with Sacred Fire: An Anthology of African American Sermons, 1750 to the Present** Martha Simmons, Frank A. Thomas, 2010-08-16 One hundred sermons that display the victorious although sometimes painful historical and spiritual pilgrimage of black people in America A groundbreaking

anthology *Preaching with Sacred Fire* is a unique and powerful work. It captures the stunning diversity of the cultural and historical legacy of African American preaching more than three hundred years in the making. Each sermon as editors Martha Simmons and Frank A. Thomas reveal is a work of art and a lesson in unmatched rhetoric. The journey through this anthology which includes selections from Jarena Lee, Frederick Douglass, Malcolm X, Martin Luther King Jr., Gardner C. Taylor, Vashti McKenzie and many others offers a rare view of the unheralded role of the African American preacher in American history. The collection provides new insights into the underpinnings of the black fight for emancipation and the rise and growth of the Civil Rights and Black Power movements. Sermons from the first decade of the twenty first century point toward the future of African American preaching. Biographies of the preachers put their work in the cultural and homiletic context of their periods. The preachers of these sermons are men and women from a range of faiths, ancestries and educational backgrounds. They draw on a vast and luminous landscape of poetic language using metaphor, rhythm and imagery to communicate with their congregations. What they all have in common is hope, resilience and sacred fire. Even during the most difficult and oppressive times, Simmons and Thomas write in the preface, the delivery, creativity, charisma, expressivity, fervor, forcefulness, passion, persuasiveness, poise, power, rhetoric, spirit, style and vision of black preaching gave and gives hope to a community under siege. This magnificent work beautifully renders the complexity, spiritual richness and strength of African American life.
