Vision And Aftermath:

Vision and Aftermath, 1969 *The Aftermath* Sheila Meintjes, Anu Pillay, Meredeth Turshen, 2001 What happens to women in the aftermath of war This text asserts that for women there is no aftermath It asks how transitions from war to peace and from authoritarian to democratic regimes can become opportunities for real social change **The Road to Rome** H. Ozorio, 2026-03-20 He never held power He commanded no army He changed the world anyway Born a Jewish boy in a Greek city trained by Jerusalem's greatest scholar fired by a zeal that led him to hunt down the early church Saul of Tarsus was on his way to Damascus to arrest believers when the risen Christ stopped him on the road What happened next is one of the most consequential reversals in human history The Road to Rome is the biography of Paul not a commentary on his letters not a theology textbook but the story of a life From the schools of Jerusalem to the wilderness of Arabia from the prayer meetings of Antioch to the lecture halls of Ephesus from a midnight earthquake in Philippi to a shipwreck on the coast of Malta from the courts of Caesar to a road outside Rome where the journey ended and the legacy began Thirteen chapters trace the full arc Tarsus the Greek city Jewish household and Roman citizenship that shaped a man for a calling he could not yet imagine Damascus the blinding light three days of darkness and three years of silence in Arabia where a theology was born Antioch the church that invented the word Christian and the community that commissioned the mission The First Journey Cyprus Galatia a stoning at Lystra and the young man named Timothy Jerusalem Again the council that could have split Christianity and the confrontation with Peter that almost did Macedonia a vision at Troas a cloth merchant's baptism a midnight earthquake and the gospel crossing to Europe for the first time Athens and Corinth the Areopagus sermon eighteen months in the city that needed the gospel most and a word in the night I have many people in this city Ephesus three years that reached an entire province a riot of silversmiths and letters written by lamplight that would reshape theology for two thousand years The Last Journey the collection as theology made visible farewell on the beach at Miletus and the walk into Jerusalem with open eyes Shipwreck fourteen days in a Mediterranean storm 276 lives and a prisoner who became the calmest man on the ship Rome at Last chains a rented house the prison letters and the last words of a man who had finished the race Each chapter includes historical context narrative reconstruction drawn from Paul's letters and the book of Acts contemporary application and reflection questions for personal or group study The ESV is the primary translation with select comparisons where the language illuminates the text This is not a stained glass saint This is a real man brilliant passionate flawed forgiven and utterly consumed by the one thing he believed was worth dying for Part of the Ancient Faith Series Book III of V Letters to the World Witnesses The Road to Rome The Twelve Daily With Paul Each volume stands alone Together all five trace the full arc of the early church from Paul's letters through the spread recorded in Acts through Paul's life and journeys through the apostles themselves and into daily life shaped by Paul's teaching **The Touchstone** Mary Fanton Roberts, 1917 Visions and Voyeurism Elizabeth Anne Castelli, 1995 **The International Critical Commentary on the**
