Strategic Horizons: Leading with Vision in a Changing World 1.Dr (Er) Vivek Kumar Saini, 2.Dr Sohrab Bharucha. 3.Dr Ajay Kumar. 4.Dr Pramod Rana, PREFACE In an era defined by volatility complexity and rapid transformation leadership is being reimagined The forces reshaping industries and societies from digital disruption and geopolitical uncertainty to climate imperatives and shifting workforce expectations demand more than operational competence they demand visionary leadership grounded in agility foresight and purpose Strategic Horizons Leading with Vision in a Changing World was born from a pressing need to equip leaders strategists and innovators with the tools insights and frameworks to navigate this evolving landscape Across its eleven chapters this book explores the core pillars of modern leadership defining strategic vision cultivating adaptive mindsets embedding innovation fostering cultural agility and grounding decisions in ethics and human centered values Drawing upon global case studies evidence based research and practical models the chapters are designed to bridge theory and action Leaders will find guidance on Translating vision into executable strategy while maintaining organizational alignment Harnessing disruption as an opportunity rather than a threat Building resilient teams and systems that thrive under pressure Embedding innovation at the core of organizational DNA This book is not a static manual it is a strategic companion for leaders seeking to adapt grow and inspire in a world where certainty is fleeting and change is the only constant It acknowledges that leadership today is less about command and control and more about curiosity empathy and co creation qualities that enable organizations to align purpose with performance As you journey through these chapters you will encounter frameworks that invite reflection case studies that offer perspective and actionable insights that can be applied to real world challenges Authors Dr Er Vivek Kumar Saini Dr Sohrab Bharucha Dr Ajay Kumar Dr Pramod Rana **Signal**, 2009

Developments in Virtual Learning Environments and the Global Workplace Swartz, Stephanie, Barbosa, Belem, Crawford, Izzy, Luck, Susan, 2021-06-11 Although institutions of higher education have recognized the need for preparing their graduates for a digitalized global workplace these efforts have been sporadic individualized and varied from discipline to discipline Nevertheless over the past 10 years trends such as double classrooms inverted classrooms and collaborative online international learning COIL have gained traction at universities across the globe With the emergence of the COVID 19 pandemic in 2020 efforts to engage students in the use of digital tools and virtual collaborative teamwork increased tenfold Creative and innovative virtual learning environments VLEs have emerged and instructors have used them to connect with their students much more frequently The holistic nature of virtual learning its impact on employability and the development of global citizenry have become prime areas of research amongst the digital education landscape Now more

than ever it is essential to look at virtual learning environments and how they can be used to prepare students and employees for the opportunities and challenges of a global digital workplace. *Developments in Virtual Learning Environments and the Global Workplace* provides readers with a rationale and tool kit for facilitating virtual learning in a wide variety of contexts in response to the opportunities and challenges presented by the digital global workplace. This book covers virtual learning practices, the value of virtual learning for professionals and employers, and the best practices in online learning in different settings. Additionally, the chapters dive into the future perspectives and trends within virtual learning environments and the creation and evaluation of virtual learning strategies. These insights range from diverse countries, education levels, industry sectors, and academic disciplines, making this book a comprehensive research tool. This book will greatly benefit e-learning and instructional designers, university senior managers, university staff responsible for mobility and exchange, researchers, professionals responsible for organizational development and further education, human resource directors, global company executives, managers, practitioners, stakeholders, academicians, and students looking for information on how virtual learning environments are preparing students for the global workplace.
