Mike Jess

True To Our Vision:

The Magic of Truth Farah Dally, 2014-11-10 Questions of truth have occupied philosophers scientists and theologians throughout human history What is truth Does it exist How do we define truth Who determines what is true and what is not The Magic of Truth defends the relativity of truth by examining its role in literature the arts and science as well as in our own lives and traditions The product of intensive research on the idea of truth and the secret meaning it holds Farah Dally argues that no field of study can progress without calling into question the traditional view of truth as a clear objective image

If I could introduce you to ten amazing people whose influence could transform your life by energizing your spiritual quest they would be the nine visionaries featured in The Great Search plus a tenth John Philip Newell himself What a treasure this book is Enthusiastically recommended Brian D McLaren author of Life After Doom In the great tradition of authors who leave church but remain spiritual such as Barbara Brown Taylor Rob Bell the author of Sacred

Earth Sacred Soul forges a new path toward a true spiritual home embracing a deep connection to the natural world The story of Adam and Eve s fall from innocence in the Garden of Eden is a mythical account of humanity s broken relationship with the divine with Earth and with themselves In contrast Celtic wisdom is built on a strong bond with Earth In the prophetic figures that Newell draws from the Garden of Eden represents the inner garden of our souls and the outer garden of Earth which are seen as essentially one To live in relation to what is deepest in us is to live in relation to the ground from which we and all things have come Where are we today in relation to our true selves and the sacredness of Earth And how are we to find our way home again This life affirming nourishing book contemplates these questions at a moment of great spiritual awakening an era characterized by religious exile on a vast scale We need a new sense of home spiritually deeply rooted within ourselves and in our shared journey with each other and Earth
