intensified the ongoing debate about the UK's international and regional human rights commitments. Furthermore, the increasing importance of the European Union in the human rights sphere has added another layer to the relationship and highlights the complex relationships between the UK government, the Westminster Parliament and judges in the UK, Strasbourg and Luxembourg. The book analyses the topical and contentious issue of the relationship between the UK and the European systems for the protection of human rights, ECHR and EU, from doctrinal, contextual and comparative perspectives and explores factors that influence the relationship of the UK and European human rights. **Main Street** Sinclair Lewis, 1920. *Main Street* tells the tale of a big city girl who marries a physician and settles in a small town in the Midwest, only to fall victim to the narrow-mindedness and unimaginative natures of the town's residents. Introduction by Thomas Mallon. Copyright Libri GmbH. All rights reserved. *Curiosities of Street Literature, Comprising "cocks," Or "catch Pennies"* Charles Hindley, 1871. [A History of Chicago, Volume III](#) Bessie Louise Pierce, 2007-09. The first major history of Chicago ever written. *A History of Chicago* covers the city's great history over two centuries from 1673 to 1893. Originally conceived as a centennial history of Chicago, the project became, under the guidance of renowned historian Bessie Louise Pierce, a definitive three-volume set describing the city's growth from its humble frontier beginnings to the horrors of the Great Fire, the construction of some of the world's first skyscrapers and the opulence of the 1893 World's Fair. Pierce and her assistants spent over forty years transforming historical records into an inspiring human story of growth and survival. Rich with anecdotal evidence and interviews with the men and women who made Chicago great, all three volumes will now be available for the first time in years. *A History of Chicago* will be essential reading for anyone who wants to know this great city and its place in America. With this rescue of its history from the bright impressionable newspapermen and from the subscription volumes, Chicago builds another impressive memorial to its coming of age, the closing of its first century of progress. E. D. Branch, *New York Times*, 1937. [The Idealist](#), 1938.
