**Access to Health** Rebecca J. Donatelle, Lorraine G. Davis, 1994 This third edition provides a thorough and comprehensive coverage of health and well being concepts and theory while also providing the tools and strategies to empower students to make responsible decisions about their personal health and the health of their community and world. Changes in this edition reflect results of extensive market research in the personal health market. These include new coverage of health behaviours and violence and renewed emphasis on managing behaviour to affect healthy lifestyles.

Health Rebecca J. Donatelle, Pearson Education Canada, 2000-07 Designed for Introduction to Health Personal Health and Wellness courses offered in most Health and or Physical Education departments. This Canadian adaptation of a successful Health text emphasizes the essential health information necessary to develop a comprehensive understanding of health promotion and disease prevention. Like Access to Health this text is presented from a behavioural management perspective providing students with the practical means of assessing and managing their health behaviours. Basics maintains its thorough examination of health care in Canada and the threat of growing violence and continues such cutting edge approaches with the inclusion of more gender issues injury prevention the role of community health and prevention strategies.
