These companies publish books across a wide range of genres including fiction, non-fiction, children's books, and academic texts.

Finding Anything About Everything in Texas Edward M. Walters, 2005-01-20 A crash course in locating information about the Lone Star State. Each chapter begins with an engaging little-known even quirky story and then shows the reader how to follow the printed and electronic trail to uncover more detail.

Texas A. Ray Stephens, 2014-10-22 For twenty years the Historical Atlas of Texas stood as a trusted resource for students and aficionados of the state. Now this key reference has been thoroughly updated and expanded and even rechristened *Texas A Historical Atlas* more accurately reflects the Lone Star State at the dawn of the twenty-first century. Its 86 entries feature 175 newly designed maps more than twice the number in the original volume illustrating the most significant aspects of the state's history, geography, and current affairs. The heart of the book is its wealth of historical information. Sections devoted to indigenous peoples of Texas and its exploration and settlement offer more than 45 entries with visual depictions of everything from the routes of Spanish explorers to empresario grants to cattle trails. In another 31 articles, coverage of modern and contemporary Texas takes in hurricanes and highways, power plants and population trends. Practically everything about this atlas is new. All of the essays have been updated to reflect recent scholarship while more than 30 appear for the first time addressing such subjects as the Texas Declaration of Independence, early roads, slavery, the Civil War and Reconstruction, Texas-Oklahoma boundary disputes, and the tideland oil controversy. A dozen new entries for Contemporary Texas alone chart aspects of industry, agriculture, and minority demographics. Nearly all of the expanded essays are accompanied by multiple maps, everyone in full color. The most comprehensive state-of-the-art work of its kind, *Texas A Historical Atlas* is more than just a reference. It is a striking visual introduction to the Lone Star State.

Publications of the Texas Folk-lore Society, 1916 *Editor & Publisher*, 1925 The fourth estate *Ayer Directory, Newspapers, Magazines and Trade Publications*, 1911 *N.W. Ayer & Son's American Newspaper Annual and Directory*, 1918 *American Newspaper Directory*, 1889

Assault on Mexican American Collective Memory, 2010-2015 Rodolfo F. Acuña, 2017-05-30 This book uses a micro-narrative structure to explore the assault on the collective memory of Mexican Americans in the Southwest United States from 2010-2016. These communities' survival depends on their histories and identities which are being quickly erased by gentrification and dispersal, neoliberalism, and privatization. This issue is most apparent in the education system where Mexican American students receive inferior educations and lack access to higher education. Avoiding the overly theoretical macro-narrative, this book uses case studies and micro-narratives to suggest possible changes and actions to address this issue. It also explores how the erasure of Mexican Americans' history and identity mirrors society as a whole.

Geo. P. Rowell and Co.'s American Newspaper

Directory ,1872 Billboard ,1982-09-11 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends

Rowell's American Newspaper Directory ,1907 Archie P. McDonald Archie P. McDonald,2016-07-19 Historian Archie P McDonald 1935 2012 retired in 2008 as director of the East Texas Historical Association and editor of the East Texas Historical Journal after thirty seven years of service A beloved professor and author of numerous books he charted the course of the ETHA and served as leader of several organizations He was an inspiration to countless students colleagues and others who share a common appreciation for Lone Star history Dan K Utley sat down with McDonald on several occasions to capture and preserve his experiences for posterity The resulting memoir not only serves to trace McDonald's life and career but also reveals much about the maturation of a scholarly organization and its journal McDonald was an evangelist for the study of history who believed in an open tent This book is an important contribution to the historiography of Texas

The Publishers Weekly ,1930 **Cataloging Collaborations and Partnerships** Rebecca L. Mugridge,2016-03-16 Cataloging Collaborations and Partnerships provides the reader with many examples of successful methods in which libraries have collaborated with each other to achieve common goals Addressing a variety of cataloging and managerial challenges in national public academic and international libraries and other organizations it will be enlightening to readers who are investigating new ways of meeting their patrons needs The collaborative efforts described in this book fall into a number of broad categories cooperative cataloging and authority initiatives cataloging partnerships merging and migrating online catalogs development of training and documentation and collaborative approaches to special projects Included are four chapters that address collaborative projects in Europe the West Indies the Galapagos Islands and South Sudan Catalogers managers and administrators will find inspiration in these important and in some cases historic collaborations They will understand how collaborations and partnerships in cataloging will help them achieve more by sharing resources and expertise sharing the burden of new projects and initiatives and fostering innovation and new ways of thinking This book was published as a triple special issue of Cataloging and Classification Quarterly **Printing Trades Blue Book** ,1928

Nationalism and History Education Rachel Hutchins,2016-02-26 History education by nature transmits an official version of national identity National identity is not a fixed entity and controversy over history teaching is an essential part of the process of redefining and regenerating the nation France and the United States have in particular experienced demographic and cultural shifts since the 1960s that have resulted in intense debates over national identity This volume examines how each country's national history is represented in primary schools social studies textbooks and curricula and how they handle contemporary issues of ethnicity diversity gender socio economic inequality and patriotism By analyzing each country separately and comparatively it demonstrates how various groups including academics politicians and citizen

activists have influenced education and how the process of writing and rewriting history perpetuates a nation Drawing on empirical studies of the United States and France this volume provides insight into broader nationalist processes and instructive principles for similar countries in the modern world **The Publishers' Trade List Annual** R. R. Bowker LLC,1972 **Austin's First Cookbook** Michael C. Miller,2019-04-15 Get a taste of Texas culinary history with this quirky diverse community cookbook from Austin s nineteenth century residents plus photos and informative essays Tacos and barbecue command appetites today but early Austinites indulged in peppered mangoes roast partridge and cucumber catsup Those are just a few of the fascinating historic recipes in this new edition of the first cookbook published in the city Written by the Cumberland Presbyterian Church in 1891 Our Home Cookbook aimed to cause frowns to dispel and dimple into ripples of laughter with myriad receipts from the early Austin community From dandy pudding to home remedies worth knowing these are hearty helpings featuring local game and diverse heritage including German Czech and Mexican With informative essays and a cookbook bibliography city archivist Mike Miller and the Austin History Center present this curious collection that s sure to raise eyebrows if not cravings **Advertising & Selling** ,1928
